

INTRODUCTION

The purpose of this document is to present how to complete payments for Palucraft GCC Study products using the automated online payment system.

There are three options available to complete payments:

1. Payment by credit/debit card
2. Payment by instant EFT
3. Payment by normal EFT or cash deposit

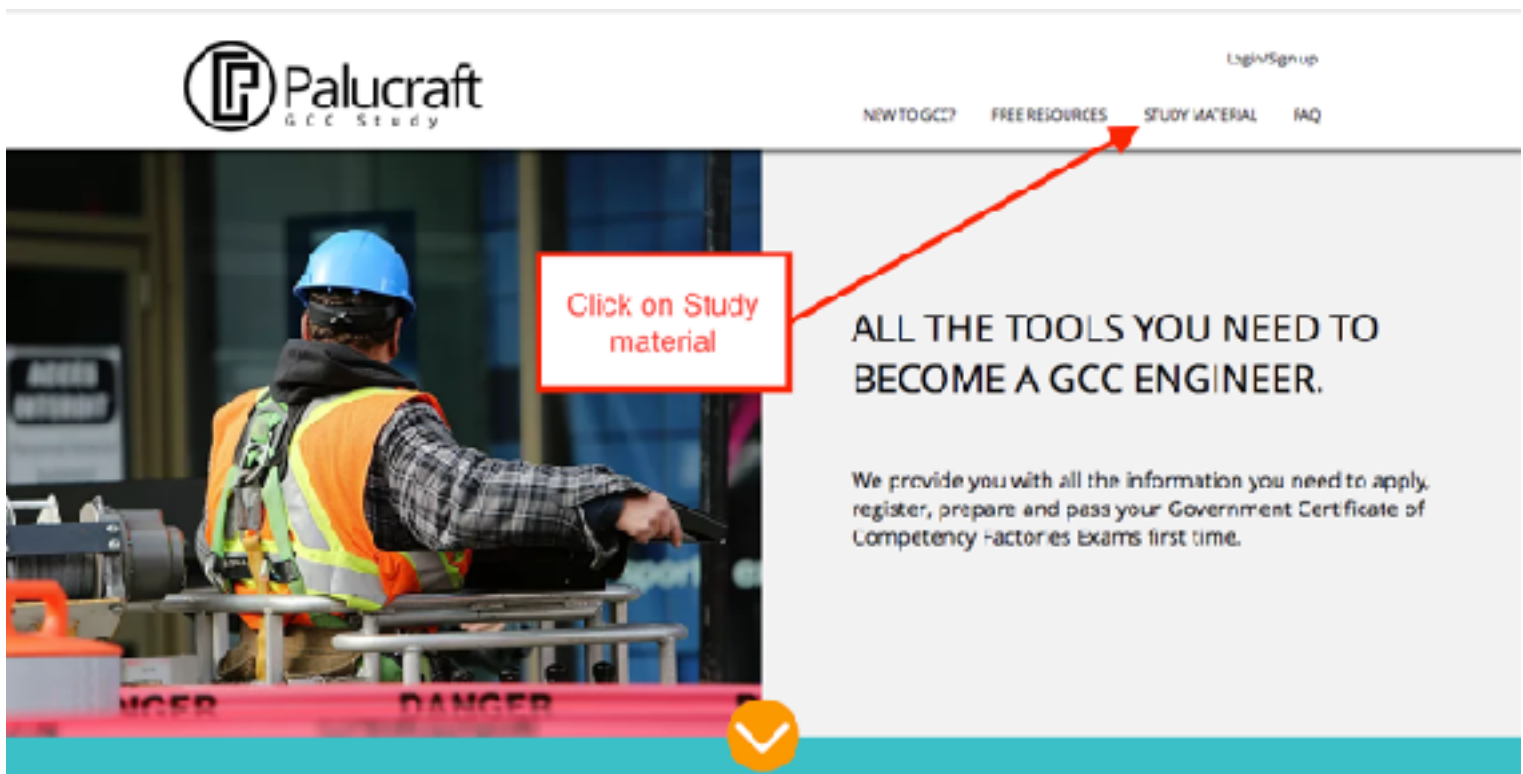

PAYMENT OPTION 1 - PAY BY CREDIT/DEBIT CARD

STEP A1

Access our website (www.palucraft-gccstudy.com) from your internet browser.

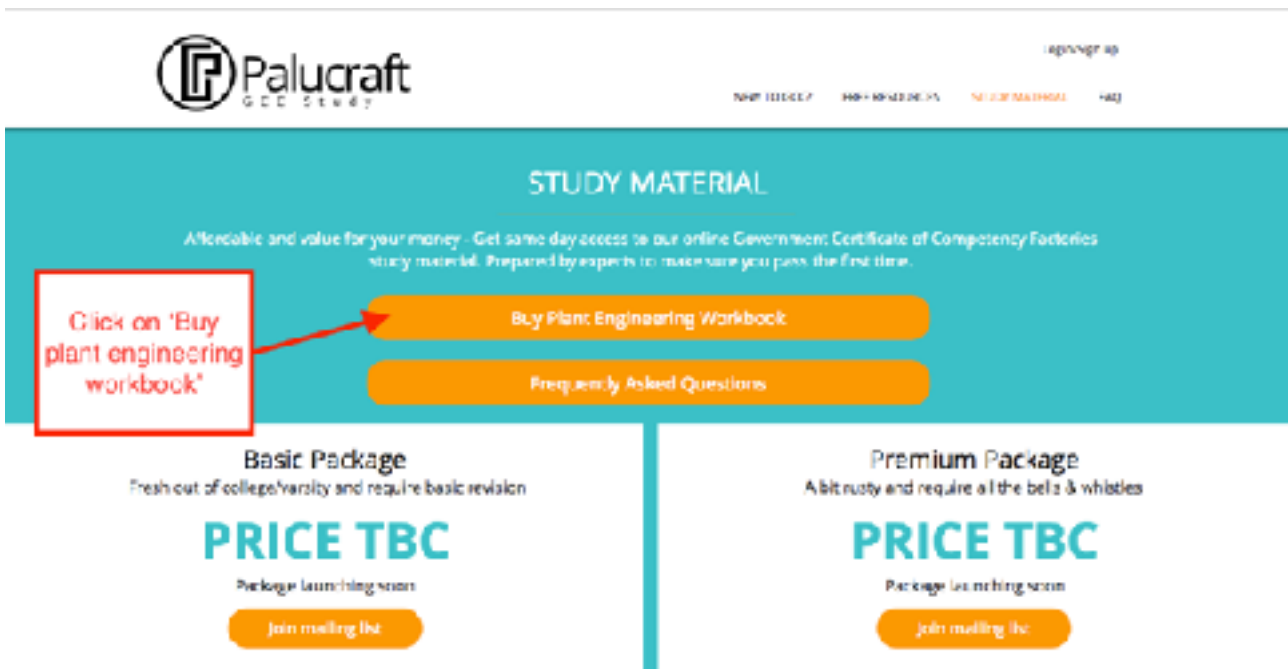

STEP A2

Click on 'workbook'. This will take you to the products page.

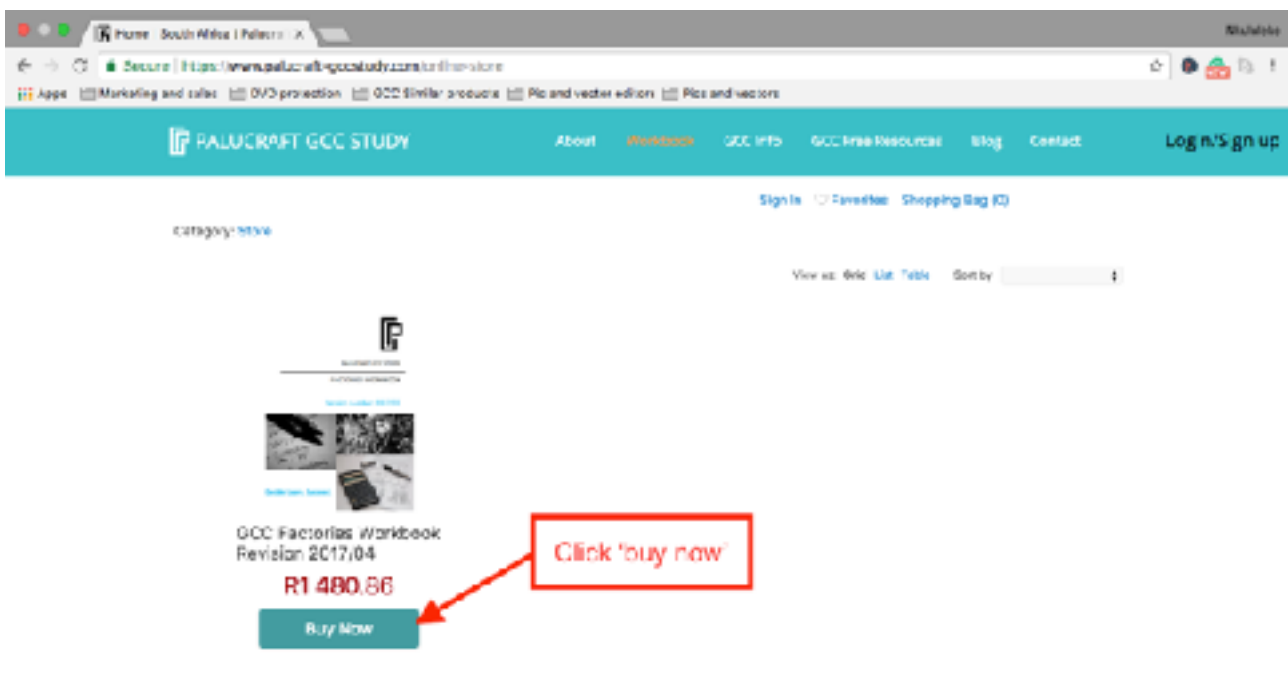

STEP A3

Click on 'Buy Plant Engineering Workbook'.

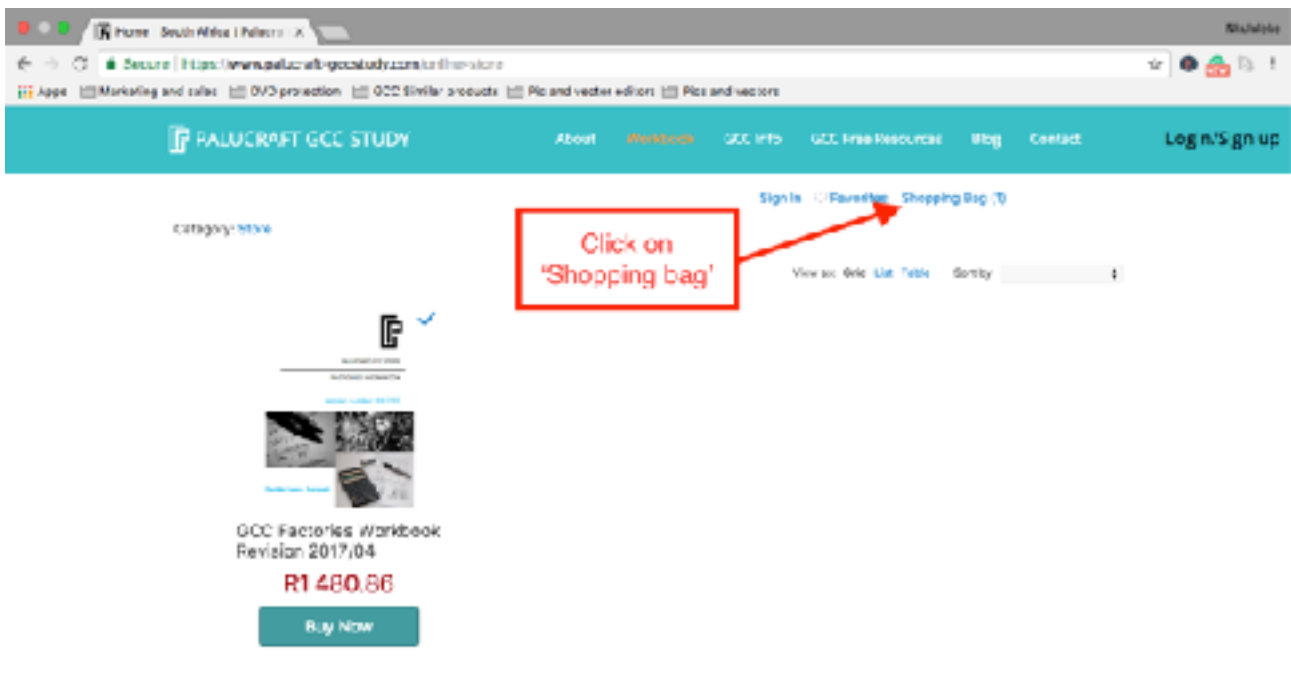

STEP A4

Click on 'buy now' only once. The item will be added to the shopping bag.

STEP A5

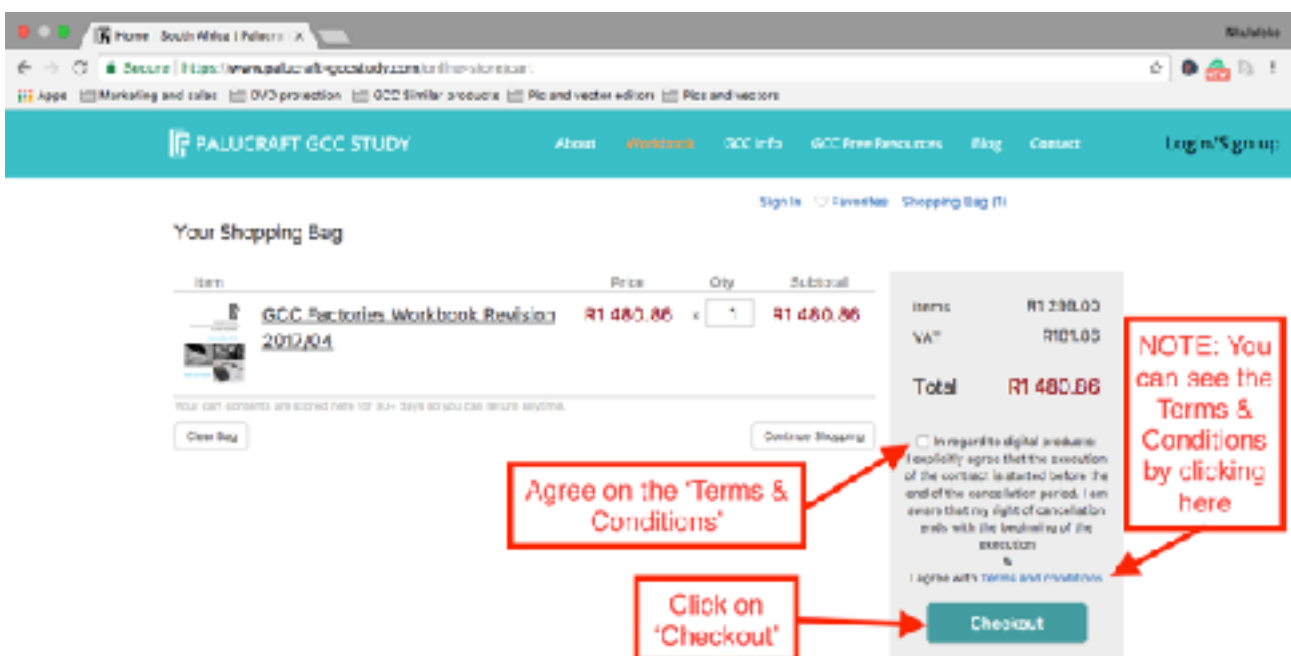

Click on 'Shopping Bag'. This will take you to the checkout page.

STEP A6

Click on box to accept the 'Terms and Conditions' (NOTE: You can view the Terms and Conditions by clicking 'Terms and Conditions').

Then, Click 'Checkout'. This will take you to the payment page.

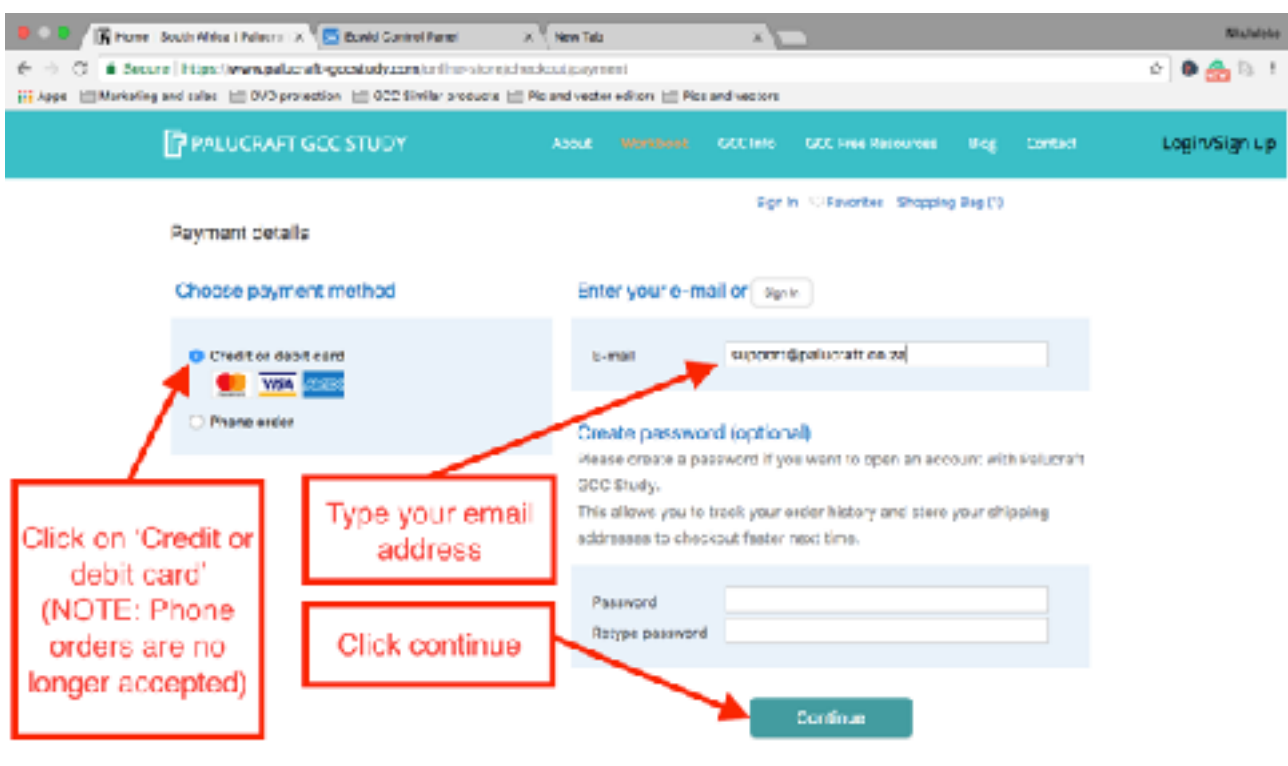

STEP A7

Click on 'Credit or debit card' (NOTE: Phone orders are no longer accepted).

Type in your email address (NOTE: Please ensure you type the correct email address. The system will automatically send download link to the email provided once payment is processed).

Click continue. This will take you to the Payfast payment option. (NOTE: Palucraft GCC Study uses Payfast as the payment gateway. It is a trusted payment gateway that is highly secure. Palucraft GCC Study does not have access to any of your credit/debit card details).

The screenshot shows the Palucraft GCC Study checkout page. The browser address bar displays the URL: <https://www.palucraftgccstudy.com/checkout/payment>. The page has a teal header with the Palucraft GCC Study logo and navigation links: About, Worksheets, GCC Info, GCC Free Resources, Blog, Contact, and Login/Sign Up. Below the header, there are links for Sign In, Favorites, and Shopping Bag (0). The main content area is titled 'Payment details' and contains two sections: 'Choose payment method' and 'Enter your e-mail or Sign In'. The 'Choose payment method' section has radio buttons for 'Credit or debit card' (selected) and 'Phone order'. Below these are logos for Mastercard, Visa, and American Express. The 'Enter your e-mail or Sign In' section has a text input field for the e-mail address, which contains 'support@palucraft.co.za'. Below this is a section for 'Create password (optional)' with two text input fields for 'Password' and 'Retype password'. A teal 'Continue' button is at the bottom right. Three red boxes with arrows point to specific elements: one points to the 'Credit or debit card' radio button, another points to the e-mail input field, and a third points to the 'Continue' button.

STEP A8

Click on 'VISA/Mastercard'. This will take you to a secure page where you can provide your credit/debit card details.

STEP A9

Insert your VISA or MasterCard details.

Then click 'pay'. This will take you to the '3D Secure' page where you will complete authentication.

Once authentication is complete, payment is processed. You will then immediately receive an email with a link to download the GCC Factories Questions and Answers.

STEP B2

Select your bank. This will take to page to login into your online banking.

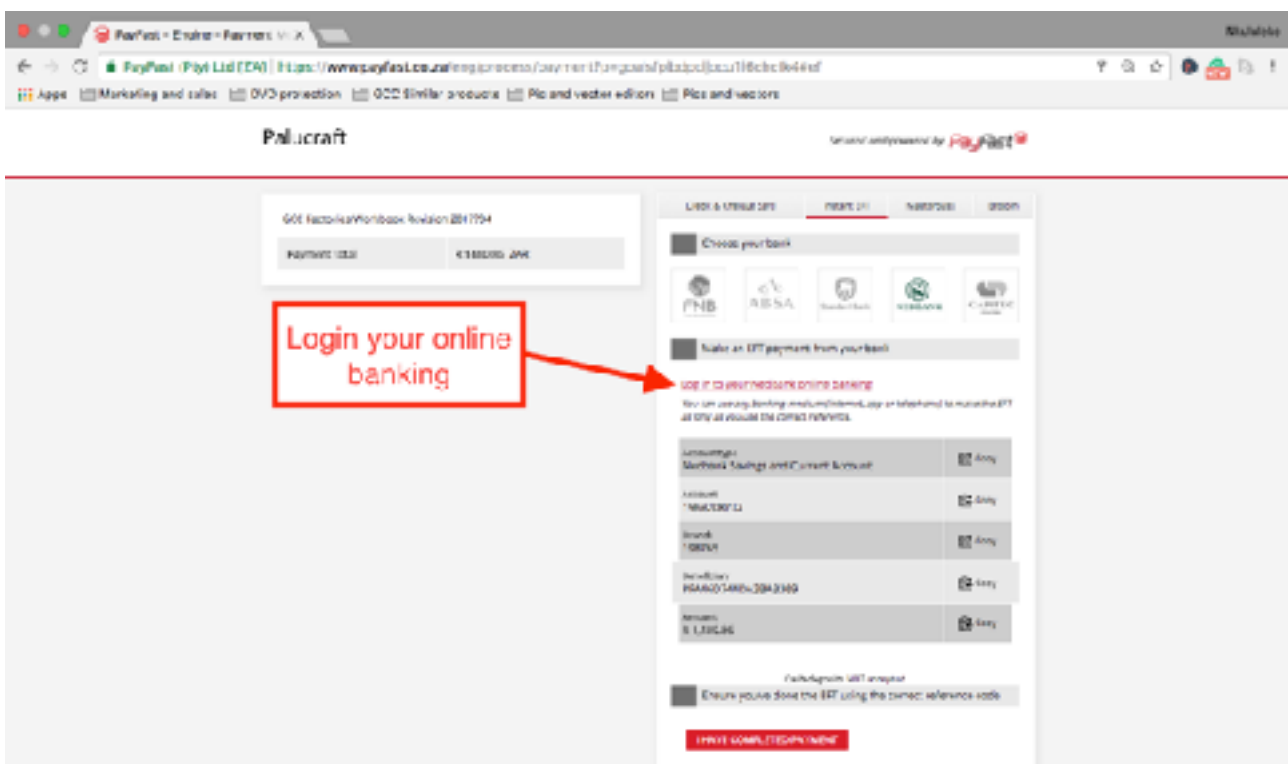

STEP B3

Login to your online banking.

This will redirect to your online banking login. Banking details and reference will be automatically inserted (NOTE: The payment gateway Palucraft GCC Study uses is Payfast. It is a trusted payment gateway and highly secured. You can read more about Payfast on www.payfast.co.za).

Once payment is complete, a link will be immediately sent to your email address for downloading the GCC Factories Questions and Answers.

The screenshot shows the Payfast website interface. At the top, the browser address bar displays the URL: <https://www.payfast.co.za/eng/process/payment/forgoast/palucraft/gcc/11644646d>. The page header includes the Palucraft logo and the text "powered and processed by Payfast".

The main content area is divided into two columns. The left column contains a box with the text "GCC Factories Questions and Answers" and a "Payment total" of "R1880.00". Below this is a red box with the text "Login your online banking" and an arrow pointing to the right column.

The right column is titled "LIVE & URGENT" and "NEXT STEPS". It contains a section "Choose your bank" with icons for FNB, ABSA, Standard Bank, and others. Below this is a section "Make an EFT payment from your bank". A red box highlights the text "USE IT TO INITIATE ONLINE BANKING" with an arrow pointing to the "Login your online banking" text in the left column.

The "USE IT TO INITIATE ONLINE BANKING" section includes the text: "You can use any banking medium (internet, app or telephone) to initiate the EFT as long as you use the correct reference code." Below this is a table with banking details:

Account type	Account number	Branch	Reference code
Current	123456789	123456	123456
Current	123456789	123456	123456
Current	123456789	123456	123456
Current	123456789	123456	123456
Current	123456789	123456	123456

At the bottom of the right column, there is a red button labeled "EFT COMPLETE HERE".

PAYMENT OPTION 3 - PAY BY NORMAL EFT OR CASH DEPOSIT

STEP C1

Follow STEP A1 to A6 AND Step B1.

Use the banking details provided to make payment. **Please make sure that the correct reference number is used.**

Once the payment reflects to our banking account, a link will be sent immediately to download the GCC Factories Questions and Answers.
