For Immediate Release:

March 1, 2017

The Stanislaus Senior Foundation is proud to announce the Annual Holiday Fundraiser raised \$37,000. The event was hosted in December 2016, at the McHenry Museum. The funds raised will be used to assist at-risk seniors in Stanislaus County through senior emergency assistance, elder abuse prevention, fall prevention and senior meals.

“I am in awe of the support from our community,” President Elizabeth Price said.

“It’s good to know so many people believe in our efforts and are willing to donate to the Foundation.”

In February 2017, the Foundation named its Board of Directors for 2017-18. They include Elizabeth Price, president; Erlinda Bourcier, vice president; Bipin Surti, treasurer; Monica Ramos, secretary; and Julia Washington, new media director.

“The Foundation has so many strong members, and I am so excited about our new Board of Directors. 2016 was so successful, we are excited to see what the next two years will bring from this group of individuals.” Elizabeth Price said when asked about the new board.
