

Coach Judy here from “Captured Moments”

Where did summer go?

This is a quick note to let you know that I have a lot of upcoming workshops coming this Fall/Winter 2019. Where we will be focusing on preserving memories and Digital Organization. You have photos, and I have solutions!

Join in on the fun and tackle your daunting photo collection for once. And remember to bring a friend or family member to the workshop! They are great resources, fun to be around, plus they have photos to organize too.

Get Organized! Take Control of your Digital Photos!

with Photo Coach, Judy Bujold

Need to quickly organize a lifetime of photos and memorabilia for your child's upcoming graduation, son's wedding, latest travel, or even a celebration of someone's life? Join Photo Coach, Judy Bujold, as we go through steps to gather, organize, and preserve your digital memories.

The goal of this presentation is to review various options for bringing your memories together and exploring ways to preserve your collection. We will review different ideas on how to accumulate your loose photos, albums, scrapbooks, in addition to gathering photos from smartphones, tablets, computers, DVDs/CDs and other media for digitizing and scanning. Plus, covering tips for renaming and tagging your memories and various ways of backing up your photo collection.

Additional cost for scanning services (starts at .20 cents a scan (cost based on size of document))
Laptops, tablets and smartphones recommended.

Preserving Your Kids' Artwork!

with Coach, Judy Bujold

Gather your children's letters, poems, cards, diaries, old loose photos or memories stored in boxes, or other significant memorabilia that are stashed away and start documenting your children's memory book.

Simply bring up to 30 selected pieces you want to preserve. We will digitize, organize and learn how to share your digital images. And then we will start to create a digital photo book using blurb.com, so you will have a beautiful high-quality keepsake full of your child's best work!.

Additional cost for photo book (retail price) and scanning services (starts at .20 cents per scan; cost based on size of document) Laptops and tablets recommended.

You have photos? We have solutions!

With Photo Coach, Judy Bujold

Do you have boxes, bags and albums full of precious family photos and memorabilia just sitting neglected in the closet? Are your photos fading or stuck in photo album plastic? Here is your opportunity to learn the ABC's and the Do's and Don'ts of Photo Organizing. We will spend class time sorting and organizing your boxes of photos and then choose some of your favorite's photos for scanning. At the end of the class, you will have scanned 80-100 loose photos to start your digital collection for permanent preservation.

Be sure to bring your boxes of loose photos, memorabilia and albums to class for sorting and organizing.
