Monat | Rejuvenique Oil Treatment

Great for both hair and skin, Monat's lemon-scented Rejuvenique Oil is rather thick, but absorbs instantly into whatever surface you choose—no residue. Turns out the versatile product's secret ingredient is Abyssinian Oil, which mimics the body's natural oils for some serious long-term benefits. With a combination of 10 other botanical oils and sleek, travel-friendly package design, Monat's Rejuvenique Oil is a slam dunk.
