dinahraphaelle Happy #makeupmonday!
Got a chance to use the new MONAT haircare products and I'm really liking them. Their non-sulfate, paraben-free shampoo is great (especially for hair that's been colortreated) because it doesn't use harsh detergents which can rinse out the haircolor and dryout hair. MONAT also builds an impressive lather leaving hair clean-feeling. When followed with the regiment of their aromatic conditioner and the intensive oil treatment, it keeps hair moisturized and uv protected. Big thank you to @blueyedentertainment @250ltd for bringing these great products to my attention. #oilintensive #hairtreatment #haircare #Hairproduct #rejuvenique #monat #green #nongmo #greenhaircare #beauty #beautyblog #blogger #dinahraphaelle #shampoo #haircolour #haircolor #idohair #sponsor
