

Summer Reading List for upcoming 6th graders (2018-2019)

All upcoming 6th graders will be required to read one book of their choice from the following list:

The Red Pyramid (Kane Chronicles #1) by Rick Riordan

Since their mother's death, Carter and Sadie have become near strangers. While Sadie has lived with her grandparents in London, her brother has traveled the world with their father, the brilliant Egyptologist, Dr. Julius Kane.

One night, Dr. Kane brings the siblings together for a "research experiment" at the British Museum, where he hopes to set things right for his family. Instead, he unleashes the Egyptian god Set, who banishes him to oblivion and forces the children to flee for their lives.

Soon, Sadie and Carter discover that the gods of Egypt are waking, and the worst of them — Set— has his sights on the Kanes. To stop him, the siblings embark on a dangerous journey across the globe - a quest that brings them ever closer to the truth about their family and their links to a secret order that has existed since the time of the pharaohs.

The Fourteenth Goldfish by Jennifer L. Holm

Galileo. Newton. Salk. Oppenheimer.

Science can change the world . . . but can it go too far?

Eleven-year-old Ellie has never liked change. She misses fifth grade. She misses her old best friend. She even misses her dearly departed goldfish. Then one day a strange boy shows up. He's bossy. He's cranky. And weirdly enough . . . he looks a lot like Ellie's grandfather, a scientist who's always been slightly obsessed with immortality. Could this pimply boy really be Grandpa Melvin? Has he finally found the secret to eternal youth?

The Unwanteds by Lisa McMann

When Alex finds out he is Unwanted, he expects to die. That is the way of the people of Quill. Each year, all the thirteen-year-olds are labeled as Wanted, Necessary, or Unwanted. Wanted get more schooling and train to join the Quillitary. Necessaries keep the farms running. Unwanteds are set for elimination.

It's hard for Alex to leave behind his twin, Aaron, a Wanted, but he makes peace with his fate— until he discovers that instead of a "death farm," what awaits him is a magical place called Artimé. There, Alex and his fellow Unwanteds are encouraged to cultivate their creative abilities and use them magically. Everything Alex has ever known changes before his eyes, and it's a wondrous transformation.

But it's a rare, unique occurrence for twins to be divided between Wanted and Unwanted, and as Alex and Aaron's bond stretches across their separation, a threat arises for the survival of Artimé that will pit brother against brother in an ultimate magical battle
