

## Exam Results 2012 - our best GCSE results

We are all delighted at the achievements of this year's leavers - their GCSE results are the best on record.

153 of them (71%) achieved the so-called "gold standard" of 5 or more GCSEs at grade C or better, including English and Maths. Every single one of them achieved at least 1 GCSE pass and all but one achieved GCSE passes in both English and Maths.

For the first time, more than 20% achieved 5 or more A or A\* passes while 12 students achieved A or A\* in every exam they took. They were: Kim Clark, Joshua Cullen, Samantha Gardner, Dana Hughes, Megan Kelly, Becky Leach, Henry Potter, Ben Russell, Grace Southern, Conor Stewart, Charlie Tomlin and Bethany Walton.

There were great results across the school, but we were particularly pleased that GCSE results in English held up well - 85% of our students achieved a C or better.
