

Dear Parents,

On Friday 8 June 2018, the Tigers Children's Motorcycle Display Team will be visiting Crofton School as part of their Big Tiger Roar.

The 'Tigers Big Roar' will see the Tigers Children's Motorcycle Display Team working in conjunction with Wave 105, to raise money for Wave 105's 'Cash for Kids', by conducting motorcycle displays in 9 schools across the south coast.

The Tigers Children's Motorcycle Display Team is a family run club, based in Lee on Solent. The club was established in 1980 with the view to provide children the opportunity to learn to ride motorbikes safely, as well as teaching them to ride as part of a team, performing intricate formation riding routines, stunts, and ramp jumps. 38 years later the club is still going strong and continues to run on the same values that were originally set out all those years ago.

In order to help the Tigers Children's Motorcycle Team raise as much money as possible for WAVE 105's Cash for kids appeal, a voluntary contribution of £1.00 on the day would be very much appreciated.

We hope that you will be able to help support this worthwhile event.

Yours Sincerely
