Project includes a new trail connection, running parallel to Capital Boulevard along Pigeon House Branch, between Wade Avenue on the south and the Crabtree Creek Trail on the north Funding for opportunity to partner with development community on smaller connector project, system gaps or other improvements. Trail connection from west east side of Umstead from Crabtree Creek to Ebenezer Church Rd I recommend that this be removed. There is a Transportation improvement project along Marsh Creek Road and Trawick Road that is accomplishing bike/ped connectivity I recommend this be excluded form list since we just completed the Neuse Crossing Connector. Trail connection from Neuse Crossing subdivision to Neuse River Trail Subtotal Park Development as recommended by Master Plan Develop Master Plan and implement phased improvements Develop Master Plan and implement phased improvements Develop park Master Plan Implement phased improvements per Master Plan Develop Master Plan and implement phased improvements	A C E BC CDE Multiple DE B C E D B B C C C C C C C C C	\$125,000,000 \$8,000,000 TBD \$400,000 TBD \$2,000,000 TBD \$10,400,000 \$5,000,000 \$10,000,000 \$10,000,000 \$10,000,000 \$10,000,000 \$10,000,000	\$165,000,000 \$9,000,000 TBD \$500,000 TBD \$2,000,000 TBD \$11,500,000 \$8,000,000 \$1,200,000 \$1,200,000 \$15,000,000 \$400,000 \$15,000,000 \$15,000,000 \$15,000,000
