

As part of **Financial Planning Week 2017**, The Financial Planning Association (FPA) is running a competition to win \$5,000 and the competition is open to clients, family and friends who might like to enter. This is a terrific opportunity to possibly inspire your family members to use their creative word-skills and enter the competition, either online (via the website link below) or via Facebook

The following link will take you to the website and explains the “*Live the Dream*” competition:

The Financial Planning Association provides great support to the communities in which we live in. Some of you might be aware of the \$10,000 granted to **headspace Port Macquarie** this year following the submission by Warrick. Each year, the charitable organisation within the FPA called “The Future 2 Foundation” grants 17 or so of these \$10k Grants to different non-for-profit programmes within our communities; funded by donations from FPA members for the foundation.

Entering competitions is not everyone’s “cup of tea”....but you know the old saying “nothing ventured nothing gained”....so please think about entering, or encourage one of your family or friends to enter....and if you are feeling really savvy then pass on news about the competition through your Facebook contacts (via the FPA’s Facebook – “Live the Dream” tab)....or send them this email and copy this link into your message to them: www.moneyandlife.com.au/competition

So enter now via the competition link above.
