Meeting Minutes – June 1, 2013

Meeting was called to order by OSTA President, Jim Suttinger. Minutes were read by OSTA Secretary Eva Gaylor. Jim opened up a discussion about the old business.

Old Business: Hoot Gibson stated that Joyce Robinson was very touched by the Arrow Bouquet and card the OSTA family sent to the Robinson family.

Matt Fout updated us on the status of the Archery tax change. He stated that he has done more research on the issue and that it is already in effect and that we are reaching out to other clubs to help stand up against the new tax change.

New Business:

Jim started the new business by stating that we will need to vote for a new Treasurer and Vice President for Jane and Dan will not be taking on another term.

Jamie Miller then nominated Hoot Gibson for candidacy for the VP position. Hoot Gibson “gladly accept[ed] to keep on Jim’s @\$@”

Mark Genteline spoke up about how other members have been talking and have an issue with the current rule about long bow shooters have to use wooden arrows in order to be able to shoot in the long bow class. They find it unfair to be pushed into the recurve class if they use carbon, aluminum, or other non wooden arrows.

Hoot stated that OSTA is a traditional club and we can’t keep changing the rules to make it easier.

Joy stated OSTA runs into this issue every three years or so and that it is also a rule in other traditional clubs. Rules are in place because members have put them there to fallow and we don’t need to start bending them a changing them.

Hoot then stated that next thing you know we will be allowing weights, sights other additives and then compounds will be allowed.

Mark stated that as members we have a right to vote on the issue. Dan New seconded the motion to vote on the issue. After it is in the newsletter three months in a row it will be put up for a vote on wither we will change the current rule or not.

Dan New announced that they had put together a questionnaire for the purpose of getting more feedback and they will be at the registration table on Sunday.

Hoot stated that it was already put out there that people were to circle three targets on the scorecards that they liked and what is the point in the questionnaire.

Mark Genteline stated it was just a simple questionnaire he will be collecting the data and compiling it all together and providing the feedback at the next shoot.

We had 17 kids at the kid shoot. Dan wanted to thank all the parents and helpers that were there. It was a great turn out and went very well.

Jim announced the next shoot is at Rushcreek where they will be putting on a fish fry. Also to keep in mind we still need nominees for Treasurer and Vice President. With that Jim closed the meeting and it was seconded by Jamie Miller.

Meeting Adjourned.

2013 Shoot Schedule

July 13 & 14
RushCreek Sportman
Bellefontaine, Ohio

August 3 & 4
Hocking Valley Sportsmen
Athens, Ohio

August 31 & September 1
