MARCH/APRIL 2009

# 2009 Banquet Meeting Minutes

**March 1, 2009**

Jamie opened the meeting by thanking everyone for coming. Minutes from the state shoot were read and approved. Shooters of the year were announced and their shirts presented. Three drawings were done with the recipients as follows: Membership bow by Stryker: Don Adams; Arrow made by Mike Rowley: Brian Patterson; Knife: Bobby Fry.

On behalf of the OSTA officers, advisory board and the membership, Jamie then asked John Brewer to come forward in order to be presented with a LIFETIME MEMBERSHIP. Jamie gave him a beautiful plaque, laminated membership card AND returned his membership dues that he had paid just prior to the meeting. Congratulations John!

Jamie announced that if there are no objections, a blood drive will be held at the Rushcreek shoot in July. Hoot Gibson hopes that there won't be too much competition from the "skeeters". Additional announcements included:

- The offices of Vice President and Treasurer will be open for 2010-2011. Nominations will be taken throughout the summer and voted on at the State Shoot.
- East Holmes will be having a hog roast on Saturday night at the shoot in May. Details to follow.

Copies of the OSTA constitution with some suggested revisions were handed out. These revisions will be voted on at the shoot in May. Jamie explained that this is only the first step in several and that this will be an ongoing project over this year. Concern was expressed that all the membership get copies and have opportunity to vote on revisions. Copies will be included in the next news letter so that the membership will have time to peruse the revisions and be better prepared to vote in May. Suggestion was made that ballots be mailed to the membership. Jamie explained that since this is an ongoing project, it would be rather expensive to do for each change/addition. We would hope that membership will make it a point to be at the meetings. If anyone had additional questions, please see him or the officers.

Jeff Fletcher motioned that the meeting be adjourned. Many folks seconded it.
