

What is lemonAYD?

LemonAYD is a free fundraising app for your school, that raises money by students selling a drink of their choice (such as lemonade or hot chocolate). LemonAYD shows students the value of effort, and hard work, which makes them prepared for the outside world.

What drinks can I sell?

You can choose any drink that is safe. This excludes alcohol, caffeine, energy drinks, and soda. Hazardous chemicals are also prohibited. Some examples of beverages that are safe to sell, are lemonade, hot chocolate, and apple cider.

How do I sell with lemonAYD?

Before a student can sell a beverage, they have to download the app, or sign in through the website. They will then have to sign in with their Google Account. After that, they will be required to enter their school and location. After that, they are ready to sell with lemonAYD.

How does someone who wants to buy from my stand pay?

The buyer will first select the stand, based on the address. They will then select the quantity, and pay. Each item is one dollar. They will be asked to pay with PayPal. Once the payment is confirmed, it will send a notification to the your device. You can then check the prizes page to see how many lemonAYDs you have sold.

How do I sign in through the website?

Go to the top of our website (thelemonayd.com), and click “Sign In With Google”. After that follow the steps above.
