Dear Families,

7th and 8th grade orchestra students require professional concert attire for performances. The orchestras begin performing in settings that require professional concert dress, as part of student musicianship training. In order to meet these performance standards, students are required to purchase a formal concert uniform through the orchestra. Each student will be fitted during the school day, a uniform will be ordered and distributed. **It is your responsibility to have the bottom of the pants/dress hemmed to the appropriate length by October 24th.** Please be aware, these uniforms are expected to last for two years of concert performances, through the end of 8th grade. Be cautious when cutting too much material for hemming.

Ladies: \$65

Dress shoes-black or nude colored, flats or small heel of your comfort level

Gentlemen: \$50
