

Barberry Hill Farm 2019 CSA Enrollment

As a Shareholding Member of Barberry Hill Farm's **Community Supported Agriculture (CSA)** family, you are a very important part of the circle of nurture here at the farm. We look forward to a wonderful 2019 season together as we steward the land, shepherd the animals and care for the gardens—providing you with a steady variety of high-quality, chemical-free, simply delicious, ultra-nutritious produce.

In our farm share model, Members pay a fee prior to the growing season, in exchange for boxes picked-up June - September, (approximately sixteen weeks), summer share July and August (approximately 8 weeks). Pick-up days are Tuesdays/Thursdays in Madison (at the farm) and Saturdays (at the Wooster Square Farmers' Market). A half share (2-4 people) is half of the quantity of a full share (4-6 people). The CSA Farm Share program allows us to purchase seeds and supplies in preparation for the growing season. When the season is under way, members receive weekly allotments of the farm harvest. We always plan to have more than enough produce for our Member boxes, but should weather or pests destroy some of the crops, under CSA principles, both the farmer and the consumer agree to share the inherent bounty and risk associated with growing pesticide, herbicide and fungicide-free fields.

Our commitment to you is that we will do our very best to keep boxes full with a variety of seasonal vegetables, fruits and flowers. We'll also supply you with storage tips and delicious recipes so you can make the most of your share of the bounty!

Your commitment to us, beyond your financial and spiritual support, arrive at the farm or designated pick-up points during your selected day and time. Bring shopping bags or an insulated cooler to transport your bounty home. This is vital both for the freshness of the produce and also for nutritional content. If you should have to miss a pick-up, arrange to share with a friend that week, or we will gladly donate your share.
