HOUSE OF THE WEEK

DENTAL CLINIC: FINAL NOTICE

The Mobile Dental Clinic will be moving on the 21st of March. If you need to see the Dental Nurses—please contact them asap.

UNIFORM EXCHANGE

A reminder for students who exchange uniforms in the morning. You need to see Ms Davidson before 8:40am and swap items over. If you are late, house points are affected.

EOTC Permission Slips and 1st AID Course

Many senior students will be involved with the First Aid Course and Hairdressing/Barbering course at the end of the term. If your child has been given a permission slip for this, please ensure these forms are returned to the school by next Tuesday, the 20th of March.

This is also a reminder for those students who have yet to return EOTC forms. Without this form being completed, it may mean your child

Kia ora whanau...

We are over half way through the term with so much happening.

Our Athletics Day was a huge success, great participation and house spirit. Miro took the big win this year, congratulations Miro! We had a squad of 9 students represent us at the Northland Secondary Schools Athletics competition yesterday. Congratulations to Thomas Browne, 1st 300m Junior Boys and Simion Turner-Himiona, 2nd 400m Senior Boys.

Mr Reed and Ms Davidson took the Art History students and Creative POD to Auckland for the Arts Festival last week. They were able to take in two dramatic performances and visit the Art Gallery which all go towards building their knowledge to complete assessment standards required in four different subject areas. This is the perfect example of how we are integrating our subject areas to be more meaningful for student learning.

We have had a couple of mishaps with phones. Please note your child does not require any kind of digital device at school. If they must bring in, they can hand into the office for safe keeping, otherwise they need to be responsible.

Have a happy weekend!
