Georgia Chambers Anderson, Second Vice President, Legislation

********Let Your Voices Be Heard********

Dear Baldwin Residents,

The Baldwin Council of PTAs is pleased to invite you to participate in their annual Legislative Forum. The Forum offers us an invaluable opportunity to meet our elected officials and representatives and voice our position on the community's most pressing needs and priorities.

As it is important that our representatives at all levels of government gain an understanding about the issues facing our community, we have invited our Federal, State and Local officials to attend. The general format of the forum is a five-minute presentation from our invited guests followed by a brief Q&A where they will have the opportunity to address issues and field questions from the audience.

The Forum is scheduled for **Thursday, 11 October, 2018 at 8:00pm** and will be held at Baldwin Senior High School, 841 Ethel T. Kloberg Drive, Baldwin, NY 11510.

As a member of this community, we know you recognize the important role all our representatives and leaders play in the sustenance and growth of a healthy, resilient community. However, the individual participation of our residents is equally important. The goal of the Forum is to help the community remain keenly focused on maintaining an open dialogue with those who can directly impact our community and provide them the incentive to ensure our district is effectively represented.

We hope to see you at the High School on **Thursday, 11 October at 8:00pm**. Please RSVP by replying to ptacouncilhs@gmail.com. Please bring a friend or neighbor. It is important that our officials see their constituents out in numbers. **Please see flyer on the reverse side.**

Sincerely,

Georgia Chambers Anderson
