

GREENING & COVER CROP GUIDE

**ARE YOU INVOLVED IN
THE EFA?**

NO

Follow the objectives below to find which seed is most suitable for you.

YES

Refer to the brochure for products that abide by EFA rules and suit what you are trying to achieve.

INCREASE ORGANIC MATTER

Mustard - Phacelia - Black Oats

IMPROVE SOIL STRUCTURE

Tillage Radish- Lucerne - Black Oats

IMPROVE SOIL NITROGEN

Red Clover - Vetch - All Legumes

MANAGE GRASS WEEDS

Oil/Tillage Radish - Mustard - Vetch -
Black Oats

Vigorous cover crop species will help reduce spray costs by breaking the cycle of weed growth.
