Search Institutions

To search for an institution use any or all of the fields below and click the search button. Hints:

- ◆ **When searching for a school**, try searching by state first for best results, but try more than one possibility if nothing comes up.
- ◆ **When searching for a loan holder**, enter the first letter of the name (there may be more than one version of it; for example, AES and American Educational Service). Loan holders may have multiple addresses but they have only one payment address in this system (for example, Sallie Mae has one payment address, which happens to be in Pennsylvania).
- ◆ For **US Dept. of Education** loans, please search under Direct Loans.
