Picture Day Information

Picture Day • Sunday, May 5th CCBCC

Please make sure your child arrives at the CORRECT TIME. (See schedule on next page; at www.beaumontdance.ab.ca; OR on the bulletin boards.)

A list of hair and makeup requirements for each dance is attached. Please be sure that hair and makeup are done and you have brought the required items according to the costume requirements sheet. To view samples of the makeup tones required, please see the bulletin board or our website at www.beaumontdance.ab.ca.

Please come prepared! Due to time limitations, the schedule will NOT be delayed for dancers who are late.

ATTIRE TO WEAR UNDER COSTUMES

It has come to our attention that some dancers are very uncomfortable changing into costumes in front of others. Dressing rooms or bathroom stalls are not always available. If this is an issue for your child, we suggest purchasing a "second skin" for them to wear under their

costume. The Edge Dancewear in Leduc carries a couple of different styles in their stock, so please feel free to stop in and see them if this is something you're interested in.

IMPORTANT NOTES:

1. As there are a number of photos to take, it is very important that you arrive on time for your designated arrival slot. We do NOT wait for missing dancers past the appointed photo taking time for group shots. Photos can run early. If we are running early, we take the individual photos first and then do the group photo at the appointed picture time. If you miss the scheduled picture time and the group shot has already been done, we will fit your dancer in during the next group. They will still get their individual picture done but will not be in the group shot. Please note, you will still receive the individual and group picture at the end of the year.

2. Parents are not allowed into the picture taking area. A volunteer will take the dancers to the studio for their photos and then bring them back to you.

3. There is very limited space, so please come with hair and make-up done.

Make-up Requirements for Boys ?

In general, there is not a big push to apply make-up to the boys, but if you do feel that your son has a fair complexion and could benefit from a 'boost', here are a few recommendations:

- Foundation as base.
- Darken eyebrows with eyebrow pencil.
- Eyeliner on the outside half of eyes both top and bottom (no winged eyeliner)
- Contour in the hollows of cheeks, under the jawline, down the side of the nose and around the forehead hair line.
- Highlight the tip of the nose, tip of the chin and in a capital C shape around the eyes (starting half way across the top of your eyebrows and down the other side of the nose).
