Monday, April 16th, 2018 @ 10:00 am

Tickets can be purchased through [www.ticketmaster.ca](http://www.ticketmaster.ca) or at 780-451-8000 or in person at any Ticketmaster location. There is no limit on tickets as there will be plenty of seats. To new parents: don't wait until the last minute to get your tickets as there will be well over 1,000 plus attending the performance.

Please Note: The performance is typically 3 hours long with one intermission and it is not recommended to bring very young children. If you have to leave the theatre with your child during the performance, the Jubilee staff will control entrance back into the theatre.

Ticket prices are \$20.00/person plus applicable Jubilee Auditorium and Ticketmaster service charges.

Please note that ALL people in attendance require a ticket, including newborns, due to fire regulations.

Dancers will be able to watch the show on a large screen monitor in the Rehearsal Hall when they are finished their routine. Alternatively, if they are only dancing in the second half of the show, dancers will be allowed to watch the first half in the Hall before they must get ready for their number.

TICKETS WILL BE AVAILABLE AT THE DOOR FOR PURCHASE. Price at the door is \$30.00 per ticket, plus applicable Jubilee Auditorium and Ticketmaster service charges.

## Arrival Of Dancers On Sunday, May 27, 2018, For Rehearsal & Show

ALL dancers (ALL ages), please arrive at 7:45 a.m. at the Jubilee Auditorium with hair and make-up done. DO NOT arrive with lipstick done. (Please send with dancer and it will be applied just before show.)

Please note: Hair should be done in LOW BUN, LEFT PART as this is the designated style for the show. In the odd circumstance, there may be an alternate hair style. If so, it will be identified on the costume/makeup sheets and may require a purchased item.

Arrival will be at the SOUTH door of the Jubilee. When you approach the front of the Jubilee and turn in, you will see a parking booth on the west side of the building. Proceed in your vehicle to the booth, explain that you are there to drop-off your dancer. They will allow you to proceed without paying for parking. Locate the SOUTH door and bring your dancer into the building. You will be greeted by volunteers who will sign your child in for the day. Please be patient as our volunteers will be working as fast as possible to sign in all 300 dancers.

Once you have signed your child in, volunteers will take your child from the sign-in table to the appropriate room where a supervisor will be waiting. All dancers will have a female supervisor. Parents will NOT be allowed back stage as we need to know who is back stage at all times for safety and security reasons.

Absolutely NO dancers are to leave the theatre at any time during the rehearsal or show, for security reasons.

Please ensure when signing your child in that you have brought the following (which should all be clearly labeled with your child's name):

- Required dance shoes
- Required tights
- Make-up kit for touch-ups prior to show
- Brown Bagged Lunch – Please NO peanut butter. We have several children with severe peanut allergies this year and these products put their lives in danger!
- Water bottle, clearly marked with your child's name. Water is NOT supplied by BSSD. Please, NO juice or milk.
- If applicable, a list of allergies, medical conditions, etc...that the supervisor should be aware of.

After signing in your child, you will need to move your vehicle away from the South entrance and exit out the way you came in.

Please note: Parents CANNOT stay to watch the rehearsal. This is a practice, and the Jubilee does not allow anyone who is not volunteering back stage or performing in the concert to be in the auditorium during rehearsal. This is the only time that the teachers get to work with the children on the actual stage that is a different size than the dance floor they are used to practicing on each week. They need to explain positioning, lighting, and transitions on and off the stage between dancers. This is a new experience and we appreciate your understanding as to why we cannot allow parents to view the rehearsal.

## Costume, Make-Up & Hair Requirements

Costume and make-up/hair requirements will be included in the April Newsletter. They will also be posted on our bulletin boards in the upper hallway at CCBCC and outside the Banquet Room at KNRRC. You can also find a copy on the website at [www.beaumontdance.ab.ca](http://www.beaumontdance.ab.ca). These are the same requirements for Picture Day.

Please note: Hair should be done in LOW BUN, LEFT PART as this is the designated style for the show. In the odd circumstance, there may be an alternate hair style. If so, it will be identified on the costume/makeup sheets and may require a purchased item. No bun makers as many will have hats.

### Costume Requirements

Costumes requiring pink ballet tights, beige tights and/or black tights will need to be supplied by parents for hygienic reasons. These tights must be Mondor microfibre tights. Costume requirements will be attached to the April newsletter, as well. This list will identify what colours of tights are required.

## Snacks

BSSD will have pretzels and arrowroot cookies available for snacks for children during the day. If your child is a celiac or allergic to gluten products, please send a snack with him/her that would be appropriate. The snack needs to be non-messy and non-staining as the snacks might be eaten in their costume. If there are any spills on costumes, we do not have facilities for laundry.

Supervising Parents: lunch will be provided for you, but please remember to bring your child a lunch. ALL DANCERS must bring their own lunch. See left notes for details, allergy information, etc.

## Activities Available To The Dancers Back Stage

BSSD appreciates that this will be a long day, especially for our younger dancers. After they are dressed in their costumes, the younger dancers will be able to watch the rehearsal from inside the theatre while being supervised. They will have their snacks and, after rehearsal, they will change out of their costumes for lunch.

Please feel free to send card games or other small games that the children like to play. BSSD and/or the supervisors will NOT be responsible for any lost items. Please DO NOT send these types of items: wax crayons, felts, markers.

Once the show commences, the live show is broadcast into the Rehearsal Hall on a large monitor for the dancers to watch while they await their turn to dance.

Note: ALL dancers must remain in the backstage area for the ENTIRE length of the show and will NOT be permitted to watch from the audience NOR BE DISMISSED EARLY! SILENT AUCTION

Again this year, BSSD as a whole will be hosting the annual silent auction at the year-end show in the Jubilee Auditorium lobby prior to the show and during intermission. The tables will be open at 12:00 pm for bidding this year (1.5 hours prior to the start of the show). Bidding will close at 3:30 pm (the end of the intermission). Silent auction items are to be picked up and paid for by the winning bidders at the end of the show, so be sure to swing by and check out any items that you may have won.

## Picking Up Your Dancer

At the END of the Show, all younger dancers must be picked up at the back parking lot just outside the SOUTH door where you signed your child in. We ask that only one (1) parent per family make their way to that back parking lot to obtain your child after the show. We will have the parking lot sectioned off with a roped area. Dancers will be released as soon as their group has cleared check-out. The supervising parent will be signing the child out inside the building and as the children are brought out into the roped off area, they will be announced.

This sign-out procedure at the back door of the Theatre AT THE END OF THE SHOW will apply to dancers with the following years of birth:

2009, 2010, or 2011

Parent assistance and patience is required. We ask that once your child's group is called, you make your way to the front of the line. If your child is in one of the last groups, please wait in the back to help make the process go more smoothly. As parents, please have consideration for one another and make way for each other to collect your children.

Please note: you will have to exit the main doors of the Jubilee Auditorium and walk around to

the back of the building. You will not be able to go through the inside of the theatre. Please be prepared for rainy weather.

Please note: we have looked into what other studios do and none of them have a sign-out process. They just release the younger dancers into the theatre and let them find mom and dad. We really believe we need to take care of our little ones and in order to do this, we need everyone's assistance and patience. As volunteers, we can't do it alone.

This type of process worked extremely well over the last few years, and we thank you for your assistance and co-operation. We couldn't have done it without you.

All other dancers (year of birth 2008 and earlier) will be released into the theatre through the West Doors into the main foyer, after they have changed out of costume.

## Sign-Out Volunteers

Please note you will need to be in place at the back doors of the Jubilee at 4:45 pm at the latest. You will be contacted to attend a meeting where you will be provided with details as to what your role will be and where you need to be. Details will follow.

## Parking Notice

The Jubilee Auditorium has a parkade right beside their building. Please note that there is only one exit, so be prepared for delays when leaving the show. If you need to be on the road by a certain time, you may wish to park at an alternate lot.

## Class Recommendation Sheets & Pre-Registration Packages For Next Season

These will be emailed out on June 1st. If your email address has changed, please notify the registrar at [registrar@beaumontdance.ab.ca](mailto:registrar@beaumontdance.ab.ca)

## Flowers For Sale & 50/50 Tickets

BSSD will have single roses available for purchase on show day. These will be available for \$5.00/rose. The sale of the flowers is a fundraiser for BSSD, and the money is used towards offsetting costume and picture fees for the upcoming dance season.

Those who purchased Flower Bouquets in advance of the show can pick them up after the show from the flower table.

While you are waiting for the show to begin and again during intermission, please consider purchasing tickets on our 50/50 fundraiser. Again, all proceeds from this sale go directly back into BSSD. Good luck!

## Scholarships

If your child receives a scholarship, his/her name will be printed in the concert program. Scholarships can be picked up in the main Foyer of the Jubilee at the end of the show.

## Concerns Or Questions

Every year is a learning experience for both parents and the executive. This will be our sixth year with a separate, smaller show for the younger dancers on May 26th. It is our 10th year with the main show at the Jubilee, and we have tried our best to organize things by speaking with their staff. They have done many other dance studio's year-end shows and by applying what they have shared, we can determine what works best and avoid the things that don't. As always, we are trying to make improvements each year. We ask for your assistance as follows:

If you have questions, please ask.  
If you are having difficulties or have concerns, please let us know.  
If you are not sure what you should be doing, please ask for assistance.  
If a line seems long, please be patient and learn with us.

Thank you in advance for your co-operation, patience and assistance.

If you have any questions, please email [president@beaumontdance.ab.ca](mailto:president@beaumontdance.ab.ca).

## Picture Taking Or Video Taping Of The Show

Picture taking or video taping of the performance is NOT allowed. The Jubilee does not allow any cameras inside the theatre. These types of activities can put our dancers at risk if they are distracted or blinded by a flash. The Jubilee staff will ask you to leave the theatre if this occurs.

At the end of each season, BSSD ensures that each dancer receives a complimentary photo of themselves and their group along with a DVD of both shows. Picture day is on Sunday, May 6th and the photos will be available for pick up at our AGM on Thursday, June 14th. The DVD is filmed

the day of the show and when it is available later this summer, you will be contacted for pick-up. We will do only 2 pick-up dates this year. If you are unable to make arrangements to have your DVD picked up at those allotted dates and times during the summer, you will need to wait until September to receive your copy. Please also check the website for pick-up details.

The photo's and DVD are included in the fees you already paid at registration. Please note that BSSD provides only one (1) free DVD per family. This year's DVD will again be done by GT Video FX and they will be combining the May 26th and May 27th shows together on one DVD for all Member's of the Society to enjoy.

# Supervising Parents' Meeting

Supervising Parents' Meeting  
Tuesday, May 15, 2018 @ 7:45 pm - 8:15 pm

There will be a supervising parents' meeting on Tuesday, May 15, 2018, at the CCBCC (Beaumont Community Centre) main floor meeting room for ANYONE volunteering at the Jubilee show.

This meeting will explain roles, expectations, etc. and provides an opportunity for you to ask any questions you may have.

## SUPERVISORS
