**JEWSANDALLIES.ORG**

Jews and allies United to End Anti-Semitism is a group of people of all ages and from many different countries working together as Jews and non-Jews to end anti-Semitism.

## **WE HELP JEWS AND ALLIES:**

- **Learn how anti-Semitism functions to divide people and derail efforts for social justice**
- **Understand when something is anti-Semitism - and when it's not**
- **Interrupt anti-Semitism in our daily lives and recover from its effects**
- **Reach for strong alliances between Jews and non-Jews**
- **Support all other liberation movements and help them include anti-Semitism as a key issue in their liberation work**
- **Work to end anti-Semitism alongside ending racism**
- **Commit to being strong allies for both the Israeli people and the Palestinian people**
