Subject: Beverly Belles Holiday Performance

I wanted to take a moment to let you know how pleased we all are with the Beverly Belles' performances over the Thanksgiving weekend. Every year, we try to find a new holiday experience for our patrons and presenting your group was met with great enthusiasm. It's not often that we look to add performances but your show sold so quickly that we would have been doing our patrons a disservice by not providing more opportunities to experience an event that they were clearly looking for.

Your blend of holiday music with a vintage theme hit the mark and I received a great number of compliments from our local veterans that truly appreciated the special attention you gave to each of the service branches. This, coupled with the humor and high energy performances, made for a highly entertaining performance for all ages.

In addition, your organization was a joy to work with. The contracting process through the final performance was highly professional and as easy as I could have hoped. My production team was very complimentary and appreciative about the way they were treated and how smooth the process went.

With so much praise and demand, I would love to invite you back for our next season. I would also recommend your group to other arts centers. Finally, I will be mentioning your organization to our arts consortium group and letting them know that they can count on you to create a great experience for their markets. Thanks for everything!

Sincerely,
