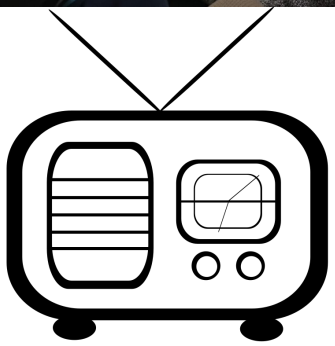
News from the Principal

Monday 3rd June 2019

Learning with Pride, Passion, Purpose and Persistence.

Radio Show

Once again our students Dane, Brody and Ambra headed off to Yarra Valley Radio 99.1FM to present their radio show last Wednesday. They did a brilliant job and were wonderful representatives of the school. Dane, Brody and Ambra worked hard to script and rehearse a range of segments including discussion topics, a Harry Potter quiz, jokes and Top 5 bands. Well done!



Illness at school

Illnesses such as colds, flu and gastroenteritis are common in schools. At Pembroke Primary School we follow the Department of Education recommended strategies to limit their effects on others. These include:

- students with cold or flu-like symptoms or vomiting or diarrhoea are encouraged to seek medical attention, limit contact with others and stay at home until symptoms have passed
- if a child becomes ill at school with these symptoms, we contact the family and arrange for the collection of the child

General hygiene remains the best defence against infection and we encourage students to regularly wash their hands and cover their nose and mouth if sneezing and coughing.

WRITING OF THE WEEK

One day when I was 4, I had a wobbly tooth that was holding on by a string. So when my sister and me were fighting, I forgot that my tooth was about to fall out and I decided that it was a good idea to bite my Sister's calf. My tooth came out and stuck into her skin. She screamed and my parents rushed in.

I explained and they both laughed out loud. I just sat there smiling blankly. Then we spent half an hour looking for my tooth, that we found…..eventually!

Well done Isla 6G

Curly Apples

Did you know that we have curly apples available for students at morning tea? A great healthy snack that everyone can enjoy. We receive a delivery of curly apples twice per term. Teachers kindly give up their morning tea time to help out. Thanks to Mrs Corr for coordinating this great initiative and to the Wakeham family for the donation of a new curly apple cutter!

Curly Apples!

Student Opinion Survey

As you know, we highly value our students ideas and feedback. All students in Years 4-6 will be participating in the Attitudes to School survey. We use this information to help to improve our school. If you would like more information, please speak to your child's teacher or visit: http://www.education.vic.gov.au/school/teachers/management/improvement/Pages/performsurveyat.aspx

Interschool Sports

Despite the weather, we persisted with interschool sports on Friday. The students created a lovely welcome sign for our visiting school Rolling Hills. Our Year 6 leaders and a number of other helpful students, assisted in getting our sports facilities ready, sweeping the water off the court and adding sand to some muddy parts of the oval. What great leadership shown by so many of our students!

School Pride and Sportsmanship

STEM Update

Students in Year 1/2W have been learning about different habitats and how animals have special features that help them survive in their environment. They created these fantastic animations using Scratch Junior, including elements such as movement, text and voice recordings. Very impressive work 1/2W!

Yours in education
