Positive Behaviours at home!

I am so excited to share with you our new Positive Behaviours posters that we have designed to support our Remote and Flexible Learning program. We have identified our expectations for both Home Learning and during Webex Meetings which are aligned to our school values of being respectful, trustworthy and responsible. They have also been translated in Hakha Chin. Each family has been mailed a laminated set to be displayed in the student's home learning space.

### Webex Meetings

I will...

- Be on time for my class meetings.
- Have my video turned on and my microphone off.
- Have my camera in the right place.
- Actively listen and participate.
- Use my meeting manners.

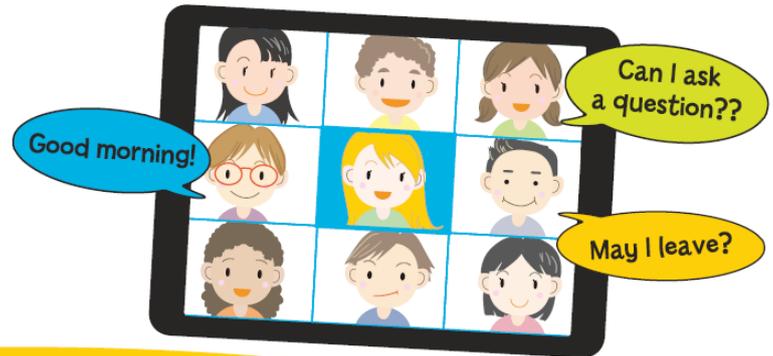

I will...

- Sit still.
- Follow instructions.
- Ask to leave the meeting if I need to.

I will...

- Come to our meeting every day.
- Be prepared for our meeting.
- Ask questions if I don't understand.

At Pembroke, we learn with Pride, Passion, Purpose and Persistence.

Earlier this year during Remote Learning, Sang Sang from SBC sent a letter with drawings to Mooroolbark Police Station. They have acknowledged his thoughtfulness by sending a thank you. Well done Sang Sang.

Thank you

VICTORIA POLICE

To: Sang Sang from Pembroke Primary School

Thank you so much for thinking about us,  
 We received your fantastic writing and drawings,  
 We have proudly displayed them around our  
 police station so that everybody can enjoy them,  
 It makes us proud to be Police officers when  
 someone like you lets us know that we're doing a  
 good job,  
 Mooroolbark Police will always be here with a  
 friendly smile if you need us.

We are going to have a whole school  
**TRICK SHOT CHALLENGE!**

There are LOTS of  
bottle flips you could  
try...

...a single flip that  
lands upright

...or maybe you can  
see how many flips you  
can land in a row?

The point is...these aren't EASY...but if we  
**DON'T GIVE UP** and **KEEP TRYING**, you might be  
surprised what **AMAZING THINGS** you can do!

So,  
Choose your challenge....

...keep a record of how many times you  
had to try until you got it...

**Get your  
family  
involved!**

...and take a video of your trials  
**AND** your successes!

**Your teachers will tell you when and where to post!**

# Writing of the Week-Junior School

Dear Ely,

You are the best sister I've ever had. I like it when we play together instead of playing alone. We make each other laugh and play batman.

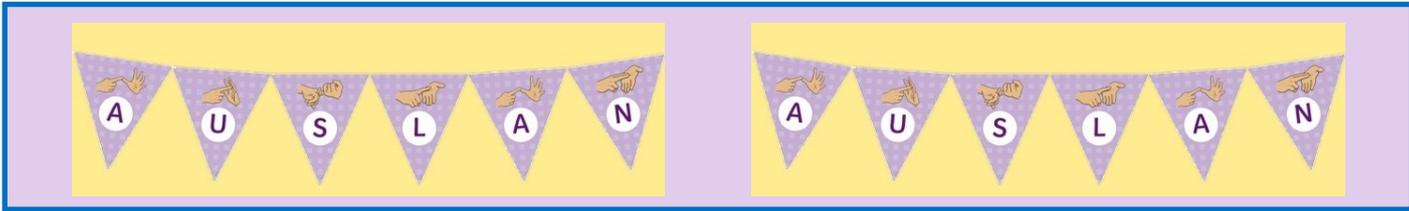

We both like to play roblox and thank you for playing with me and being the best sis.

I will help you whenever you need.

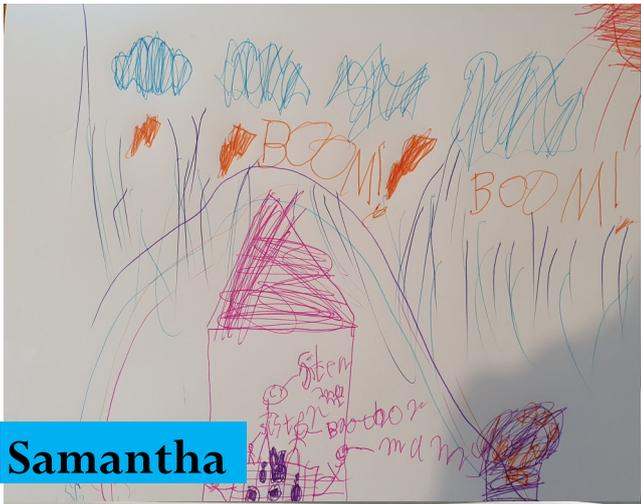

Love from Jame.

Jame wrote this lovely letter for his sister as part of voice week. The goal was to write with the audience in mind.

After exploring some Weather and Family signs in the Talking Hands Auslan video, here are some of the beautiful pictures JW and JM Auslan students created showing "My Family on a Rainy Day". Sam, in JW, made a super, special tracing picture using his box light. What wonderful work!
