

The American Kratom Association is a grassroots advocacy organization with a large amount of factual data to support our efforts to keep kratom legal, as well as representing millions of kratom consumers in the US.

We have the following documents on our website at <https://www.americkratom.org/> readily available for any and all that care to look for them:

[Economic Impact Study](#)

[Eight Factor Analysis](#)

[Washington Post Article](#)

[US Senate Letter to DEA](#)

[Kratom Scientist Letter](#)

[DEA Notice of Intent to Ban Kratom](#)

[DEA Withdraws NOI \(Notice of Intent\)](#)

[House OMB Letter](#)

[House DEA Letter](#)

[SITSA Memo](#)

[Kratom by the Numbers](#)

We have numerous Ambassadors, from all walks of life, that are willing to speak with journalists and reporters to give you not only the true facts about kratom, but about the positive effect it has had on so many people's lives.

We look forward to having the opportunity to get the truth out to all people that are willing to listen.

Please feel free to contact us.
