ORDERING PROCESS

1. SALES INQUIRY & QUOTE SENDING

Contact our friendly sales representatives via email or call. State the product type, quantity, expected delivery date and your complete contact details. We will create a quotation based on your requirements with the best price possible. Sign the quotation or email us about the affirmation of the order.

2. DESIGN & LAYOUT

You can send us your preferred design/layout or we can create one for you. Note that you have to approve the design prior to actual production. Further changes on the approved layout will incur cost implications.

3. PAYMENT

Please submit any proof of 50% down payment or a Purchase Order to our sales team before we proceed with the production of orders. Meanwhile, the final payment has to be settled during pickup or delivery of the items.

4. PRODUCTION & QUALITY ASSURANCE

Our experienced production team will work on the order per the specifications and designs. Turnaround time may take more or less 1-4 weeks but still depending on the material and quantity. The production supervisors & the owners themselves are very hands-on in ensuring that our products are of high quality and the client requirements are met.

5. ITEM DELIVERY & AFTER SALES

As soon as the products had been completed and passed QA, we will then schedule the pick-up or delivery of the orders per agreed deadline. Also, help us improve our products and services by answering a brief survey which will be sent to your email after the order delivery.

In a rush? Fret not as we do rush service for a minimal fee.
