Celebrating Success

Dear Parents

The children have settled well after the winter break. During the autumn term the children grew in confidence and have started to make good levels of progress in their learning. They especially enjoyed their trip to the Regent Theatre to watch Snow White and the Seven Dwarfs. The children were very well behaved. The children performed exceptionally well in our Christmas concert and made us all very proud. There are photographs on the school website of all the children in their costumes.

We have an exciting spring term ahead.

Spring Topics

Our topic this term will be patterns and change. Our stories will include:

- The Hungry caterpillar
- Winnie the witch in winter
- Winnie's magic wand

Our role play area has been transformed into Frankenstein's Castle where there will be lots of opportunities for children to write their own spells and magical stories.

We will continue with our daily phonics sessions and it would considerably help your child's progress if you would continue to read regularly at home. We have started to send out homework on a Friday. Please help your child to complete this every week and return it to school by the following Tuesday.

During this term the children will have a visit from a local baker and we will be visiting the local library and park.

If you have any queries, please do not hesitate to ask.

Thank you for your continued support
