

Celebrating Success

Dear Parents,

We hope you had a lovely Christmas and enjoyed your break.

Last term we learnt all about ourselves. The children have settled into the nursery very well and are now becoming active learners. The children have been learning their phonics sounds which they are fantastic at – ask them to show you at home! This term our topic is Traditional Tales and we will be learning lots of different stories including The Three Little Pigs and Goldilocks and the Three Bears.

The children really enjoyed their trip to 'Foxfeild Railway' where they had a ride on a train and spoke to Santa and his helpers. Later in the term we will have a trip to the park where we can think about what Red Riding hood might have seen on her way to Grandma's House.

We have made plans to visit the local Post Office and Fire station as we will be learning about People Who Help Us.

The main focus this term will be:

- To continue with phase 2 phonics
- To write our name
- To know our numbers to 20
- To continue making friends and enjoying our time in Nursery!

During this term the children will be:

- Continuing with Dance
- Learning about People Who Help Us
- Going on lots of trips around the local community

Can I remind parents to return their child's library books on the correct day for the staff to change. Also, please help your child to complete their homework sheet each week and return it to school with their library book.

Please continue to inform us of anything your child learns at home or any hobbies/interests they like to participate in. We appreciate your assistance and support with your child's education, please keep up the good work. Thank you.

The Nursery Team.
