## School Closure for Bad Weather

Would parents please note that **school will be open** unless it states the opposite on the radio. Please listen to **BBC Radio Stoke** during severe weather to find out if **our** school is closed. Do not assume that if another local school is closed we will be. Please do not ring the school to check as these calls block the lines. Unless you hear we are closed **on the radio** send your child to school as we will definitely be open.

Please also take time to look at the below plan of the school grounds and key which show the routes that will be treated when icy conditions are forecasted. The same routes will also be cleared should there be a snow fall.

**Please take extra care when moving around the school grounds during bad weather.**

Key	Grittied Routes/Areas:
1	Main car park gate to KS2 yard mag lock gate
