Earthscapes is spread across two studios:
Ahmedabad and Mumbai, each headed by
a principal landscape architect cum
director and working independently.

We have a staff of 12 in Ahmedabad and 5
in Mumbai with four full time ISOLA
accredited landscape architects. Our offices
are equipped with the latest computer
systems having centralized cloud backup
and genuine software.

Our projects range across Bihar, Gujarat,
Karnataka, Maharashtra, Rajasthan and
Telangana. We have organized workflow
with inhouse facilities for drawing
management, tender process and
specification systems.

About;

The landscape of KP Courtyard, Ahmedabad is a series of courtyards inspired from the seasons of the year. Each courtyard displays patterns, associations and planting related to one of the seasons, namely summer, winter, spring and monsoon.

Each courtyard is then associated with a separate age group, namely children, youngsters, old people and a common courtyard for congregation of all community members. These courtyards are located within the apartments and act as a visual treat for the residents.
