# Stepaside Studios Winter Workshop

18th - 20th July

Ages 7 to 18

Stepaside Studios' holiday workshop offers a fun and focused environment for young dancers to learn new routines and improve dance technique.

Our workshops cater for both beginner and experienced dancers, who are taught by passionate, professional teachers. Classes take place during the second week of the July school holidays, at our West Ryde studios.

Different styles taught include Hip Hop, a fun way to build confidence. In Lyrical class you partake in different exercises which develop strength and technique. Jazz classes help to improve flexibility, stamina and technique. Our final class in our program is Cheerleading - a new and popular style to Stepaside that incorporates a variety of styles and is an art form of its own.

On our final day, students perform a short recital of what they have learned over the three days of the workshop.
