

PARTICIPANT RATIOS

There are several factors to consider when making recommendations with regards to the ratio of Participants to Coach / Teacher in Gymnastics and Trampolining activities.

These factors include:

1. Age
2. Stage of development
3. Level & type of activity
4. The experience of both the Participants & Coach / Teacher
5. Type of facility
6. Type of equipment available

HOWEVER, the Coach / Teacher in charge must always make an assessment (for example a risk assessment) of each situation & must determine a ratio of Participants to Coach / Teacher that is reasonable, safe & effective.

YOU SHOULD ALWAYS HAVE AT LEAST TWO RESPONSIBLE ADULTS IN THE CLASS AREA.

It is a condition of our Insurance that the British Gymnastics Coaching qualification requirements or an equivalent are complied with as follows:

Clubs must have at least one designated Coach to a minimum Level 3 qualification responsible for detailing and setting out all gymnastics activities. All other coaches must be to a minimum Level 2 qualified. All Level 1 Assistant Coaches must be supervised by a Coach qualified to a minimum of Level 2. All Coaches must be qualified to the level of performance of the participants in the specific discipline of The Sport.

Pre-School

Independent child classes:

A ratio of 1:8 is recommended. This can be increased proportionally to the number of qualified assistant coaches, i.e. 8 participants per additional directly supervised assistant coach

Classes with the Parent, Guardian or Career:

A maximum ratio of 1:20 is recommended when a responsible adult is with the participant.

Gymnastics

A maximum of 8 Participants to any apparatus/station/trampoline.

When more than one apparatus/station/trampoline will be supervised, the coach in charge must carefully assess the following:

1. Participants
 - 1.1. Age
 - 1.2. Stage of development
 - 1.3. Experience
 - 1.4. Varying ability
 - 1.5. Number of participants
 - 1.6. Discipline
2. Coach / Teacher
 - 2.1. Their own qualifications and experience

- 2.2. Their ability to observe, advise, support & respond to the difficulties of anyone in the gymnastics area.
- 2.3. The level and type of activity and suitability of the apparatus arrangements.

A maximum Coach to Participant supervision ratio of 1:16 shall not be exceeded at any time; Each assistant Coach may supervise up to 8 Participants in addition to the lead Coach group of 16 (e.g. a total of 24 participants for a lead coach and assistant Coach).

Trampolining

All trampolining activities must be supervised by a suitably qualified Coach / Teacher. It is the requirement of the Coach in charge to ensure that trained spotters of suitable size to the Participant, must be in place at each trampoline.

A maximum of 8 Participants to any trampoline, with a maximum of 1 individual Person / Participant on the trampoline at any time. When more than one apparatus/station/trampoline will be supervised, the coach in charge must carefully assess the following:

3. Participants
 - 3.1. Age
 - 3.2. Stage of development
 - 3.3. Experience
 - 3.4. Varying ability
 - 3.5. Number of participants
 - 3.6. Discipline
4. Coach / Teacher
 - 4.1. Their own qualifications and experience
 - 4.2. Their ability to observe, advise, support & respond to the difficulties of anyone in the gymnastics area.
 - 4.3. The level and type of activity and suitability of the apparatus arrangements.

All instructors must hold a current recognised trampolining qualification for the level and skill set they are coaching. A maximum Coach to Participant supervision ratio of 1:16 shall not be exceeded at any time; Each assistant Coach may supervise up to 8 Participants in addition to the lead Coach group of 16 (e.g. a total of 24 participants for a lead coach and assistant Coach).

It is a further condition of our insurance that in respect of Trampolining:
Operation of trampolines must be carried out in accordance with British Gymnastics Guidelines.

Non-Slip socks or trampoline shoes should be worn.
