

CRATE A PARTY

PARTY AND EVENT PLANNER

ABOUT US

Crate a Party was founded in 2015 by Lottie Burnett. Her aim was to offer an exclusive personalised party planning service for busy Mums and Dads. At Crate a Party we'll work to your chosen budget, take away the hassle of organising and provide a party that your child will never forget.

We offer a wide range of services from finding the perfect venue right down to personalised party bags. You can choose from one, several or all of our services to make the perfect bespoke party for your child. All you have to do is turn up on the day.
