

When coming from the Twin Cities:

1. Go east on Interstate 94. At Tomah I-94 merges with I-90, just keep going east on Interstate 90/94.
2. Take the New Lisbon exit and turn right, going into town. This is State Highway 80 going south, which is what you want. Watch the signs carefully, as you will need to make a couple of turns to stay on Hwy 80:
 - a. After exiting the freeway, turn right and go into town. In the middle of town, at the stoplight, turn left onto Adams Street, also known as US Hwy 12 and State Hwy 16. (You are still on Hwy 80, however!) On the edge of town, turn right onto Monroe Street. (This will still be Hwy 80). There is also a sign that points the way to Elroy - you are headed in the right direction! Be sure to watch for the signs carefully!
3. Continue southbound on Hwy 80, the next town you come to will be Elroy. Watch the signs carefully as you go through town and continue southbound on Hwy 80.
4. The next town you come to will be Union Center. The road will end at a "T". Turn Left onto State Hwy 33. You are almost there!
5. Follow Hwy 33 into Wonewoc. Watch carefully, in the middle of town there will be a road called County Road FF, also called Washington Street. Turn right onto FF (Washington) and go out of town. The road will fork; take the right fork, which is still County FF. Not quite a mile out of town, on your right will be Fick Road. Turn right and follow the road to the end.
