

Field Trip Favorites “Out of the Box”

February 1, 2019

For year we have been going on incredible field trips. Many of the images taken were winners at competitions, show stoppers at our exhibits, and amazing othere at more places the rest of us may not know about.

Members are being asked to put together a 5 minutes “Out of the Box” program on your field trip favorite images.

If you can’t remember them all, this link will remind you: <http://www.wpsphoto.org/past-field-trips>

Please let Serge know you’ll be presenting.
