

Wellness Center
200 Doctors Drive Suite 222
Douglas, GA 31533
912-383-6988

The Wellness Center at Coffee Regional will be hosting the **Health and Wellness 5k Run/6k Obstacle Course/Walk** on Saturday, October 6th, 2018. The events will take place as part of our Community Health and Wellness Day at Coffee Regional Medical Center.

Proceeds will benefit the Cardiac Rehab Scholarship assisting cardiac patients in their treatments after a cardiac event. Heart disease continues to be the number one killer in Americans and has impacted almost every family in Coffee County.

We are reaching out to our community for sponsorships. Sponsorships will include a booth at the event, if the sponsor would like to set up a table with health/wellness related information. Please complete the sponsorship information below:

\$300 Sponsorship

This sponsorship will include the following:

- Logo will be on the commemorative race t-shirt and banner
- Two complimentary race entries
- Outside Booth for the Health/Wellness event

Company Name: _____

Contact Name: _____

Contact Phone: _____

E-mail: _____

Would you like a booth for the Health & Wellness event? Yes No

If so, please contact us for a vendor registration form.

Obstacle Sponsorship

Sponsor an obstacle! Create an obstacle with approval from the race director or choose from a pre-approved list. Volunteer to set up on Friday, monitor the obstacle on race day, and take down your obstacle after the race is completed. We will be having a competition for the most liked obstacle following the race. Win a trophy and bragging rights for your company!!!

*****Complete attached form for Obstacle Challenge Sponsorship!*****

If you cannot help us with one of the above levels please consider making a donation to the Cardiac Rehab Scholarship.

All Sponsorships are considered charitable donations under Federal Tax Exempt ID# 58-2165827. We look forward to your participation in our 2nd Annual Event. For more information, please contact me at (912)383-6988.

Sincerely,

Danny McCarty
