

# CASSIE REEDER

*Creator, Consultant, Collaborator*

## ABOUT ME

Though a short seven years has passed by since I've begun my personal journey in the education world, I have gained a wealth of knowledge and experiences that have provided me the successes within my career thus far. I attribute that success to my connectedness, relationships, drive, motivation and unwillingness to fail.

Born and raised in Florida, I now call Texas home and travel all over the country to consult.

# *SPEAKING ENGAGEMENTS*

SPRING 2019

I begin at Florida's FETC (Future of Education Technology) Conference in Orlando, FL. Conference dates are January 27 - 30, 2019 at the Orange County Convention Center.

I then move to the Texas TCEA Convention and Expo in San Antonio, TX. Conference dates are February 4-8, 2019 at the Henry B. Gonzalez Convention Center.

For details on my sessions, see the descriptions below.

## WORKSHOP DESCRIPTIONS

### *Graphic Design for Edu (FETC- Jan. 27 4pm est.)*

Let creativity fly as you learn about a few free and easy to use Graphic Design tools in this workshop. Spice up your lessons with eye catching designs that you create. Allow students to showcase their learning and demonstrate their design skills using these kid friendly tools. In this session you will create accounts on these apps / websites, spend some time creating and we will discuss ways in which you can integrate these tools into your educational setting. This make and take learning opportunity will leave you excited to return to the classroom and show off your new skills!

### *Let's the Ins and Outs of G Suite Basics (TCEA- Feb. 4 11:30am cst.)*

In this beginner course, participants will learn the basics of Google Drive, Google Docs, Google Slides, and Google Sheets and the new Sites. Participants will leave this session feeling confident in their basic use of each of the tools and get a taste at some of the ways in which these tools can build collaboration among colleagues and students.

### *Building Your PLN through Social Media (TCEA- Feb. 5 3:00pm cst.)*

Participants will learn about the power of Twitter, Voxer, Flipgrid, and Periscope in building their PLN (a tribe of like-minded educators). You will learn the basic use of these tools, starting with account setup and basic terminology like what the @ and the # mean. Plan to leave with a strong understanding of implementation of these tools

### *You're a New Teacher, Now What? (TCEA- Feb. 7 9:00am cst.)*

I will provide some tips and tricks that I have learned in my years within the education field. Ideas provided give teachers a heads up on ways to start becoming a connected educator, not only online, but with your campus colleagues. An emphasis is provided on the importance of relationship building, audience participation, and sharing.
