      1) He had stayed at Ephesus for around 3 years!
      2) He wrote his 1st letter from Ephesus (AD 56).
      3) He sent it by the hand of Titus.
      4) Paul encouraged him to return by Pentecost (I Cor. 16:8).
   b) Something caused Paul to leave before Titus returned.

      3) But Paul was very concerned about the Corinthian Church.
      4) Titus had not returned…What could have happened???

      2) Had close call with death at Ephesus.
      3) Titus’ delay magnified his stress.

      5) It was a comfort to him.
   e) Paul now writes the 2nd letter (AD 57) from Macedonia.
      1) He expressed relief for their attachment to him in the main.
      2) He dealt with the trouble makers.
         A---Some still held out against Paul & God’s Truth.
         B---He used very strong words to rebuke them.
   f) In this letter:
      1) He artfully introduces the arguments against false doctrines.
      2) He refutes the error by solid reasoning.
      3) He shows up the False Teachers.
      4) He mainly commends the church as a whole.
         A---They had held to God’s truth.
         B---They had properly dealt with the incestuous person.

      3) Then, return to Corinth again.
      4) And then, let them send him on his way to Judea.

   B. What caused his change of plans & the delay?
      1) Timothy & Erastus was sent ahead into Macedonia (Acts 19:21-22).
         a) They probably went on to Corinth to inform them of Paul’s plans to
            visit soon (I Cor. 16:10-12).
         b) Somehow, word got to them that he was coming to Corinth first!
      2) Two things changed his plans.
         a) The success of the work at Ephesus. (I Cor. 16:5-9)
         b) News of dissension at Corinth. (I Cor. 1:10-11)

            1---Was the change a sign that he did not think through his plans.
            2---Did it indicate he was fickle, false, and undependable?
            3---What they heard, he fully intended to do.
         b) “Did I make plans as men do, according to the flesh?”

            2---Did I say one thing & do another?

            1---As God is Faithful & true to his word….

      e) God has not affirmed & then denied his promises!
      f) And neither have we!!
   2) He calls for them to look at his work among them.
      a) Paul’s anointing as an apostle by God was obvious.
      b) The church’s very existence proves this.
      c) The Miraculous gifts they had came from the laying on of his hands.
      d) The miraculous gifts were just the down payment on the great gifts
         God has in store for His people.

         a) The confrontation
         b) And sad actions such may require.
      4) Will deal with this more in detail later.
   C. An important clarification in this regard!!
      1) Apostles do not have the Lordship over those who believe.
         a) Yes, they are deliverers of the Word of God.
         b) Yes, they are to be sure God’s Word is given, affirmed, and preserved!
         c) But they are not Lords over believers.
      2) They are helpers.
         a) Their work is to bring joy, not sadness to mankind.
         b) To persuade by argument, reasoning, & chastisement according to
            God’s instructions......
         c) So people will live according to God’s will.
3) Their stability is not found in men, but in their faith in God.

   A. He stated up front, “I did not want to visit you in “heaviness”.
      1) “Pain”, “Grief”, or “Sorrow”.
      2) This is the reason he sent the 1st letter by Titus.
         a) Titus was very reliable….capable….dependable.
         b) Since there were those who were against Paul, Titus would not have
            the same problem Paul did.
      3) Besides, Paul did not want his visit to be a sad one.
   B. He states his reasons for this decision:
      1) “For if I cause you grief, who is there to cause me joy, but those whom I have
         grieved.” (Con)
      2) “For what point is there in my depressing the very people who can give me
         such joy” (Philips)
      3) If Paul had gone himself:
         a) He would have had to deal with the problems himself.
         b) This would have brought grief to the church….would have been
            painful for them both.
         c) Thus, the very ones that he hoped would give him joy would be so
            depressed…..no joy from them!
         d) So, the letter by Titus seemed to be the best thing!
   C. He reminds them why he had written the 1st letter!
      1) So, the letter would deal with the problems before he came.
      2) Even though the letter might bring pain….
      3) Better the letter than him in person.
      4) He had no desire to make them sorrowful.
         a) His intent was not to cause pain & heaviness.
         b) But, it was obvious it would have an affect upon them.
      5) He wanted his visit to be an enjoyable one.
         a) He had confidence that they wanted what he wanted.
b) Even his opponents did not want Paul’s unhappiness.

      a) “In great trouble and distress of mind” (Gspd)
      b) “That letter I sent you came out of great distress and anxiety; how many tears I shed as I wrote it.” (Phi)
   2) It is the distress one feels who is under pressure and finds no relief.
   3) I am sure Paul shed tears in prayer to God on their behalf.
   4) The letter was INSPIRED BY GOD, but Paul’s emotions and concerns felt by him were included by the Holy Spirit.
   5) He wrote the letter out of love for them.
      a) It was not to cause them pain, but to get them right with God.
      b) He wanted them to know how much he really cared for them.
      c) He had no desire to grieve them, but some things are necessary for the saving of souls.
      d) His desire was not to inflict pain, but to bring about repentance.

II. HE NOW TURNS AND DEALS WITH THE PERSON GUILTY OF INCEST MENTIONED IN I COR. 5 (2:5-11)
   A. What his actions have caused: (vs. 5-8)***
      1) He has grieved me (at least in part)
      2) But more important, he has grieved all of you…..
         a) Or, at least most of you.
         b) False teachers may have condoned his actions
         c) And some members had gone along with them.
         d) Paul did not want to overstate the problem, but to be sure he was concerned over this person.
      3) What one member does affects the whole church for good or bad.
         a) I Cor. 12:26—“And whether one member suffer, all the members suffer with it; or one member be honored, all the members rejoice with it.”
         b) The community does not make the distinction either.
         c) If a member sins, they brand the church as such.
         d) If a member is godly, it gives a good name to church.
   B. He states that their “punishment” upon this man was sufficient to bring about the desired end.
      1) Punishment
         a) Meaning of word in Greek.
         b) It is a form of punishment.
         c) The church was told to:
            1—When you gather together
            2—Deliver such a one to Satan for the destruction of the flesh, so he can be saved.
            3—Not to company with him.
            4—Put him away from among yourselves.
d) The church (or at least the majority) had evidently carried out these instructions.
e) This punishment upon the guilty man:
   1—Expressed righteous indignation against sin
   2—Vindicated God’s law…upheld it.
   3—Showed love for the person.
f) This action has brought about repentance.

C. Paul now calls upon them to forgive & comfort him.
   1) Repentance was evident.
      a) He had been so affected by their actions that he awakened to his true condition before God.
      b) He dismissed his father’s wife and changed his ways.

   through the flesh…”
   b) Heb. 8:7-8---“For if that first covenant had been faultless, then
   would no place have been sought for the second. For finding fault
   with them, he saith,”
   c) It is man’s inability to keep the Law of God perfectly.
10) Thus God planned to give a New Covenant.
   a) Jer. 31:31-34
   b) It would be a different kind of Covenant.
   c) Major difference:

Lesson Six

“THE TRANSFORMING GOSPEL”
(II Cor. 3:12-18)

INTRODUCTION
1. The first part of Ch. 3 gave a comparison of the Law & the Gospel, the Old Covenant & the New Covenant.
   a) Its superiority is shown in its ability to give life, not death.
   b) Also, in its greater glory than the glory of the Law.
2. Now, Paul drives home a symbolic concept involved in the giving of the Law of Moses!
   a) Types & Shadows abound in the Old Testament.
   b) This is one that Paul uses to illustrate his point.
3. He shows that the New Covenant:
   a) Can be spoken with great moral courage & boldness.
   b) Can give spiritual vision to those blinded by a hardness of heart.
   c) Can bring true liberty to the soul of man.
   d) Can bring about a transformation that is glorious.

DISCUSSION
I. THE NEW COVENANT CAN BE SPOKEN WITH ASSURANCE. (Vs. 12-13)
   A. 1st, look at the ministering of the Old Covenant!
      1) Moses ministered it to the Israelite nation (Exo. 34:31-35).
      2) Moses would go into the presence of God to get His Law.
      3) When he came out, his face would shine, glow.
      4) He would then speak the Commands of God to the people.
      5) Then, he would put a veil over his face until he again went into God’s presence.
         a) The veil was not to protect the eyesight of the Jews.
         b) Rather, it was to cover the fading of the radiance of Moses’ face.
         c) So the people could not see the radiance disappear.
      7) Application:
         a) The fading of the shine on Moses’ face was like the fading glory of the Old Covenant.
         b) Moses even told the people that there would come another prophet like unto himself (Deut. 18:15-18).
         c) So, Old Covenant was not the final Revelation!
         d) Also, Moses veiling his face suggests a lack of confidence or boldness.
   B. But….the ministers of the New Covenant are bold.
      1) Their boldness is there because they do not have to be veiled to hide a fading glory.
      2) This New Covenant they proclaim is the final revelation of God to mankind.
      3) It will last, endure. (Heb. 1:1-2)
      4) It gives mankind the hope they needed….forgiveness of sins & eternal life.
         (No longer under curse of law breaking)
      5) This boldness comes from the assurance of its superior glory.
a) Look at Peter & John before the Jewish Council (Acts 4:13).

II. THE VEIL UPON THE HEARTS OF THE JEWS. (Vs. 14-17)

A. “But their minds were blinded”
   1) The Jewish heart was veiled by prejudice & unbelief.
      a) They could not see the fading radiance of Moses face.
      b) So, symbolically, their minds are veiled from seeing the glory of
         Christ and the New Covenant.
      c) Neither could they see the real purpose of the Old Covenant.
   2) The Old Covenant was one of Types & Shadows.
      a) While the Old Covenant contained the Law of God.
      b) It also contained a Shadow of the coming Gospel.
      c) It pointed to the coming of a Redeemer, through whom man could
         truly be justified.
   3) But, the veil on the hearts of the Jews:
      a) Caused them to regard the Old Covenant as complete in itself.
      b) And failed to see its true glory in pointing to a greater glory in the
         gospel.
   4) So, when Christ came:
      a) They failed to recognize Him as the Messiah.
      b) They would have followed a Messiah of Judaism, but not one of
         Christianity.
      c) The veil blinded them to the true nature of the Messiah and the new
         Kingdom of God.
      d) They felt that they could find salvation in the Old Covenant.
      e) But Jesus told them: “Search the Scriptures; for in them ye think ye
         have eternal life: and they are they which testify of me. And ye will
         not come to me, that ye might have life.”

Lesson Ten

“OUR HOPE & OUR LABORS”
(II Cor. 5:1-11)

INTRODUCTION
1. In these verses, Paul is stressing the confidence of the Christian!
   a) “For we know”
   b) Uses the concept three times:
      1—5:1—“For we know…”
      2—5:6—“always confident, knowing that…”
      3—5:11—“knowing the….”
2. Upon what is this knowledge based, this assurance?
   a) John 8:32—“Ye shall know the truth, and the truth shall make you free.”
      1—They had come to a knowledge of that truth, and were made free!
      2—It is this continuing, growing knowledge of God’s truth that gives us
         confidence and assurance!
   b) It is this growing knowledge of truth:
      1—That assures us of our Hope;
      2—That causes us to labor as we do!
3. Read verses 1-11, cutting out the parenthetical expressions:
   (verse 1)—“For we know that if our earthly house of this tabernacle were dissolved, we
   have a building of God, a house not made with hands, eternal in the heavens
   (verses 5-6)—“For we that are in this tabernacle do groan, being burdened: not for that
   we would be unclothed, but clothed upon, that mortality might be swallowed up of life.
   Now he that hath wrought us for the selfsame thing is God, who also hath given unto us
   the earnest of the Spirit.”
   (verses 8-9)—“We are confident, I say, and willing rather to be absent from the body, and
   to be present with the Lord. Wherefore we labor, that, whether present or absent, we may
   be accepted of him.”

DISCUSSION
I. WHAT WE KNOW ABOUT OUR EARTHLY BODY IN VIEW OF OUR HOPE. (5:1-8)
   A. It is earthly, physical, perishing!
      1) “Earthly house of this tabernacle”
         a) Tent---temporary home….not permanent one.
         b) “earthly house, which is a tent”
         c) “If our tent, that earthly body which is now our home....”
         d) “If the earthly frame that houses us today....”
      2) “were dissolved”
         a) Could be translated “destroyed”---Possible violent death.
         b) “dissolved”---wasting away, gradual decay.
         c) We are gradually dying daily….in physical sense!
         d) II Cor. 4:16—“our outward man perishes.”
3) We know we are dying….the body goes back to dust.
   a) When it comes, how will we greet this solemn occasion?
   b) What will be our frame of mind at death?
   c) Can we say with Paul, “For we know”….have great confidence in the face of death!
      1—To be uncertain, is defeat!
      2—The Christian needs to have confidence in the face of death!

A. Our hope causes us to groan to be clothed with a heavenly body!
   1) This groaning is because of burdens of this life.
      a) The weakness, misery, pain, sickness, etc.
      b) We want this mortal body to be replaced with a body fit for eternal life & happiness!
      c) 1 Cor. 15:53—-*For this corruptible must put on incorruption, and this mortal must put on immortality.*
   2) But, this groaning is to be clothed upon, not unclothed!
      a) Clothed upon with a house:
         1—Not made with hands….(Men build houses of clay)
         2—But a building made by God.
         3—One that is eternal in the heavens!
      b) Rom. 8:23—-*And not only they, but ourselves also, which have the first fruits of the Spirit, even we ourselves groan within ourselves, waiting for the adoption, to wit, the redemption of our body.*
      c) We don’t want to be found naked!
         1—To be found naked….means “NO HOPE”
         2—God has promised us an immortal body someday.
         3—Not to have assurance of this hope is to be naked!
      d) We want a body that represents life to us!

      c) And then, placed His Spirit within us.
      d) The purpose of the indwelling Spirit:
         1—to brighten that desire in our hearts to be with the Lord as we grow older.
         2—to strengthen that desire to be pleasing to the Lord.
      e) These should be our ever growing, consuming passion.

      g) Our occupation, recreation, music, books, dress, thoughts, money, movies, food, drink, etc., are to be brought under His control.

C. We know that while we are in this body, we are absent from the Lord.

      a) I John 1:7
b) But in the sense, of the reality of the promised hope!

2) We would prefer to be absent from this body in order to be with the Lord.
   a) Reason….we will be clothed upon with immortality!
   b) Our confidence of this comes from God’s promise.
   c) The fear of putting off this mortal body is greatly lessened!
   d) I Cor. 15:54-57

3) All of this is a matter of faith, not sight!
   a) The confidence of our hope is not based on things that are seen, but on things unseen.
   b) The unseen is the real….the seen is but the shadow…unreal!

II. OUR LABORS IN THE LORD. (5:9-11)

A. We want our actions to be pleasing, acceptable to the Lord.
   1) This is our aim, for this we strive earnestly.

   1) When we will appear before the judgment seat of Christ.
   2) We are accountable for our actions, our lives, and our labors.
   3) This judgment will be based on our actions while in this mortal body…..not after death!
   4) This judgment will be based on whether our actions have been good or bad, righteous or unrighteous, right or wrong.

C. We also labor to persuade men to turn to God in Righteousness!
   1) Because of the awesomeness of the Lord!
      a) To stand in his presence in Judgment will be awesome!
      b) For the unprepared, it will be a terrifying time!
   2) Our intention of doing good should be open & known by God.
   3) I trust that it is also understood in your hearts as well.
      a) “Yet my uprightness is manifest in the sight of God; and I hope also that it is manifested by the witness of your consciences.”
      b) “What I am is plain to God without disguise, plain also, I trust, to your own conscience.”

INTRODUCTION
1. Paul has emphasized to God’s people at Corinth:
   a) That all of God’s people need to be an AROMA of Christ to the World.
   b) That He has placed this great treasure, The Gospel, in earthly vessels.
   c) That His people need to know the Lord, as well as the Lost, in order to reach out with this Gospel.
2. And now, what this is all about is RECONCILIATION!
   a) Not a reconciliation of God to man;
   b) But of man to God!
3. The process of RECONCILIATION is stated & inferred in these few verses!
   a) It is a two-fold process.
      1—God’s part in the process.
      2—Man’s part in the process.
   b) One is of no avail without the other….It takes both!
   c) Let’s look at that process!

DISCUSSION
I. 1ST, THERE MUST BE A NEED SEEN FOR RECONCILIATION!
   A. A fact widely understood is:
      1) There is a moral Ruler in this universe, and he rules by Law.
      2) Man has not only rebelled against this Ruler, but has broken his Law as well.
   B. The Bible calls “Law-breaking”, Lawlessness or Sin. (I John 3:4)
      1) Again, this is a Truth well understood by mankind in general.
      2) The Bible states that all have sinned & fallen short of the glory of God. (Rom. 3:23)
   C. Man thus becomes an enemy of God.
      1) He is afraid of God and His wrath because he knows he has sinned.
      2) Like Adam & Eve…..When God approached, they were afraid, and went and hid from God (they thought).
   D. But the worst thing about sin is its threatened punishment!
      1) Adam & Eve were warned, “If you eat, you die”.
         a) They ate, both of them.
         b) They died that day (spiritually) …. Alienated from God by Sin.
         c) And then, were driven from the Garden of Eden to die physically.
         d) God’s punishment upon the wicked world in Noah’s day shows that sin will be punished (Gen. 6:5-8; Rom. 6:23; Matt. 25:46)
      2) Sin results in alienation, estrangement, and broken fellowship with God.
      3) Sin is the source of all of our miseries.
E. **One more fact must be recognized!**
   1) Man cannot remove his sin nor its consequences upon his soul.
   2) Since he cannot live God’s Law perfectly, he is under the curse of death. (Gal. 3:10).
   3) And he has no means of removing this curse from his soul.

II. **GOD’S PLAN OF RECONCILIATION. (5:18-21)**
   A. **The Desire for Reconciliation was on God’s part.**
      1) Possibility of reconciliation originated with God.
      2) “*All things are of God*”
         a) It didn’t originate with man.
         b) God planned it and worked the plan.
         c) He took hundreds of years to bring it about in the fullness of time.
      3) His love is what made all this come true.
   B. **But God had a tremendous problem.**
      1) He had His Law to uphold, to stand behind.
      2) His Law condemned sin and the sinner.
      3) God could not be JUST and ignore His Law!
      4) God’s great Love worked out a just way to reconcile man back to Himself.
   C. **Jesus came and met the demands of the Law!**
      1) Jesus was “he that knew no sin”.
      2) He lived in a sin-filled world, among sinners, but never sinned!
      3) “He was tempted in all point like as we are, but without sin” (Heb. 4:15)
      4) He became man’s sin substitute.
         a) “*He hath made him to be sin for us*”
         b) Isa. 53:6—“*He hath laid on him the iniquity of us all.*”
         c) Isa. 53:10—“*To make his soul an offering for sin*”
         d) Isa. 53:11—“*for he shall bear their iniquities.*”
      5) “There was a real laying of our sins on the Lamb of God, so there could be a real laying on of Divine Righteousness upon pardoned mankind.”
   D. **“God was in Christ reconciling the world to himself.”**
      1) What is reconciliation?
         a) Man’s sin had brought on rebellion & enmity toward God.
         b) God wants to mend that relationship with His creatures.
         c) It is full & complete pardon for his disobedience.
         d) It is a restoring of that broken relationship.
         e) The one sinned against, takes the 1st step to reconciliation.
      2) “*Not imputing their trespasses unto them.*”
         a) God is willing no longer to hold our sins against us.
