Lesson One

"Basic Facts About the Bible"

"Before there was a Bible!".....Does this surprise you? Had you ever thought about the fact that the Bible as we know it was not in existence for hundreds of years after man's beginning. According to the Biblical account, mankind had access to Adam for any information about God's dealings with man for some 930 years (Gen. 5:5). Even though all mankind finally became so wicked that God had to destroy them, yet there was one righteous man with which He was able to replenish mankind on the earth—NOAH! (Gen. 6:1-8). Did mankind become so wicked because there was no Bible to help direct them? I am not in a position to say for sure, but we do know that God held them accountable for their wickedness; so, they must have had some way of knowing what was expected of them. The Apostle Paul gives some indication of man's accountability even without a Bible in Romans 1:18-32; 2:12-16).

NAMING THE BIBLE & ITS LANGUAGES

Men have given the name of "Holy Bible" to this book that we believe has been given by God. It comes from a Greek word: Βιβλοσ (Biblos). The word is a means: _______________. Others terms are used to identify the Bible within its pages:

2 Tim. 3:16_________________ Heb. 4:12_________________ Jude 3_____________________

John 17:17_________________

There is an interesting observation about the first part of the Bible that is called the Old Testament. It was not given until about 1500 BC—and then, it was only given to the Jewish Nation (Deut. 4:7-8; Ps. 147:19-20). The rest of mankind never had access to the Old Testament for hundreds of years. It was finally translated into the __________ Language in the 3rd Century BC and made more accessible to the Greek speaking world. The Old Testament section of the Bible took some 1100 years to be finalized (1500-400 BC). But the New Testament section took only about 50 years to be finalized (50-100 AD). The Old Testament was written in ________________. The New Testament was written in ________________ which made the circulation of it much easier among all nations.

WRITERS OF THE BIBLE

It is generally believed that a possible 40 men were used by God to write the Bible over a period of about 1600 years. Bible Scholars are agreed on at least 32 writers of the Old Testament books:

1. ________________________ 5. ________________________
2. ________________________ 6. ________________________
3. ________________________ 7. ________________________
4. ________________________ 8. ________________________
Add to the above 8 writers, the writers of the books of prophecy which brings the total to 24 writers of the Old Testament.

The New Testament writers:

1. __________________________  5. __________________________
2. __________________________  6. __________________________
3. __________________________  7. __________________________
4. __________________________  8. __________________________

This brings the total of writers to: Old Testament writers _____
New Testament writers_____.
Total......_____

There is an additional 8 possible writers which would bring the total to 40 possible writers.

(2 Peter 1:20-21)  (Hebrews 1:1-2)
(Hebrews 1:1-2)  (John 16:13-16)

"Overview of the Bible"

1. What are the two major Divisions of the Bible?

2. What "chosen peoples" does each division deal with?

It is important to remember that the following dates that are given below are approximate. Bible Scholars have done the best they can to give us a dating system that is useable. The value of dates is to give us some idea of the passing of time and where people fit into the over-all picture in the Bible.

THE VALUE OF AN OVERVIEW

A major mistake people often make in their approach to the Bible is to draw conclusions from isolated passages and not from the overall context of the Bible. The above outline gives the major topics of the Bible historically. By reading through the Bible, one will have a better overview of what is taught and makes it easier to harmonize passages that would seem to be contradictory.

Lesson Three

"Completeness and Preservation of the Bible"

Please indicate your understanding of the present condition of the Bible:
◊ God revealed His complete message to mankind by the end of the first Century and He does not have to add anything to it.
◊ The Bible is not complete and God is still revealing His message to mankind today.

It is important that we understand what the Bible claims in regard to these questions. The following should make this clear.

IS THE BIBLE COMPLETE?

1. Were the Apostles guided into all truth? (Jn. 16:13)_______________________________

2. What is the Word of God called? (James 1:25)____________________________________

3. How much information has God given us concerning life and godliness? (2 Pet. 1:3) __________________________________________________________________________

4. What are the Scriptures able to do for man? (2 Tim. 3:17)____________________________
________________________________________________________________________________

5. What warning has been given concerning the Bible? (Deut. 4:2; Rev. 22:18-19) __________________________________________________________________________

6. Can man direct his steps better than God? (Jere. 10:23; 1 Cor. 1:20-21; 2:8-9) __________________________

7. If the Apostles were guided into ALL TRUTH; and they all died by the end of the first Century; then, can we say that their work was done by the time of their death? __________________________

8. Do you believe the Bible to be the complete Word of God?
◊ Yes
◊ No
HAS THE BIBLE BEEN PRESERVED CORRECTLY?

The Bible began to be written down about 1490 BC and was put into its finished form in 96 AD. It took a few more years for the final product to be circulated sufficiently that it could be recognized as a completed book. But that was almost 2000 years ago.

Two Important Questions:
◊ Can we be sure we have the same book today as it was first given to mankind?
◊ Is there any proof or evidence that can be seen to help convince an open mind?

Who were guilty of irreverence toward God & His Word?

1. Gen. 3:1-7
2. Lev. 10:1-10
3. 1 Sam. 15:24

Many people fear only human power and wrath and are led by their own desires and pleasures because they have a low regard or no regard for God. Reverence is godly fear, a deep awe in the presence of God, but not necessarily terror. It is profound admiration for God inspired by faith in His Power, Wisdom, and Justice.

2. How can man show reverence for God and His Word?

   a) Deut. 4:2

   f) Acts 5:29
   g) Gal. 1:6-9

   i) Rev. 22:18-19

Reverence for God helps to make us teachable, willing to hear and follow Divine testimony, seek His approval, and eager to be obedient children.

3. Do I really reverence God and His Word?
   ◊ Yes
   ◊ No

HOMEWORK
(Basic Rules of Bible Study)

Did God intend for the Bible to be a confusing book? Even though it does contain some statements which are "hard to be understood" (2 Pet. 3:16); yet, it certainly was not meant to be confusing. However, due to widespread mishandling of the Bible, it has been made to appear confusing. With few exceptions, most distortions of the Scriptures can be traced to a common source—improper approach to the Bible! Preachers have succeeded in warping the Scriptures and have confused and misled untold millions of people—see illustrations below.

1. Is Jesus speaking for Himself or quoting someone else in Matt. 11:19?

2. To whom is Jesus speaking in Matt. 10:5-6?

3. In which Covenant is the command given to "keep the Sabbath Day Holy"? (Exo. 20:8-10)

4. Is the statement, "this is my body," in Matt. 26:26 to be understood literally or figuratively?

5. Can "faith only" save a man, or does his faith have to be put into action before he is saved? (Jn. 3:16; Jas. 2:24)

6. Can you harmonize this two passages?
   a) Matt. 7:1-2
   b) Jn. 7:24

7. Does Rev. 20:4 teach that Jesus is coming back to earth to reign for 1000 years?
Lesson Six

"The New Covenant (Testament) Of Christ"

To learn an important Biblical Principle and not know how to use it would be disappointing. The New Testament is the Covenant that all men are to come under. The purpose of this lesson is to help make application of this concept clear by visual aids, examples and questions.

A Problem to be Solved!

Note: The following 3 questions will have conflicting answers. They will present the problem to be solved. The rest of the questions should help to solve the problem.

1. What was the thief on the cross told to do (or what did he do) in order to go to Paradise with Jesus? (Lk. 23:39-43; Matt. 27:44).

2. What did Jesus tell the Rich Young Ruler to do to have eternal life? (Lk. 18:18-20).

3. What did Jesus command His Apostles to preach to all nations and what did they have to do to be saved? (Mark 16:15-16).

The Solution to the Problem

1. Under which Testament did the Thief live?
2. Under which Testament did the Ruler live?
3. Under which Testament did Jesus give the Great Commission to His Apostles?
The Application of the Principle

1. When did the New Testament go into force? (Heb. 9:16-17)

2. What did Jesus tell the Apostles to wait for before preaching to the nations? (Acts 1:4-5; John 16:13-15)

3. When did the Holy Spirit come upon the Apostles to guide them into all truth? (Acts 2:1-4)

4. After convincing these devout Jewish people that Jesus was both Lord and Christ, what were they told to do to receive the remission (forgiveness) of sins? (Acts 2:36-41)

5. Are these things bound upon all mankind today? (Acts 2:38; Matt. 16:18-19; 18:18; Mk. 16:15-16)

Some Observations

1. Why isn't the paralytic man's forgiveness an example for us to follow today? (Mark 2:1-11)

2. Why isn't the woman's forgiveness in Jn. 8:1-11 an example for us to follow today?

3. Does the answer Jesus gave the Ruler apply to us today?(Lk. 18:18-20)

4. Was the Thief on the cross a "child of God' under the Old Covenant? (Gen. 17:8-14)

5. How do we know that the Thief had NOT been baptized with John's baptism? (Matt. 3:5-6)

6. Do we have the right or power to change the Testament of Christ that was bound upon mankind by the Apostles?

7. Should we tell people they can be saved a different way than what Peter told the people in Acts 2:38?

"Why Be A Christian?

Man has to be motivated to do what he does in most instances. We are made this way! Therefore, we can expect to find good reasons for being a Christian in the way of Rewards and Blessings. The following Scriptures are given to illustrate this concept.

Eph. 1:3
Romans 8:28
Romans 8:37
Philippians 4:13

Lesson Seven

"God's Redeemed People Today"

"A Redeemer is coming!" was the message of the Old Testament. The New Testament opens with the message: "A Redeemer has come!" The Redeemer was to redeem a special people unto the Lord who would become His church (the called out people) or the new "Kingdom of God" among men. We need to understand the great importance that the Bible gives to this group of people.

1. What did Jesus state about this new kingdom of God?
   a) Matt. 4:17
   b) John 3:3-5
   c) Matt. 16:18-19
   d) Mark 9:1

3. Who could enter it? (Isa. 2:2-3; Acts 1:8; 2:5)

4. Where did the church begin? (Isa. 2:2-3; Acts 2:5)

5. Who entered the church? (Acts 2:38, 41, 47)

6. In what did the believers continue steadfastly? (Acts 2:42)

7. Why place should the kingdom hold in our lives? (Matt. 6:33)

8. What two kingdoms are contrasted in Col. 1:13-14?

9. Why should you want to be in the church (in Christ)?

"Obedience to God"

Commands of God are both GENERAL and SPECIFIC in nature. When a command is GENERAL, man's judgment has to be used to carry it out to the best of his knowledge. But when the command is more SPECIFIC in nature, then we have to carry it out the way the Lord specifies! The following will help to illustrate this!

1. Out of what was NOAH to build the ARK? (Gen. 6:14)_______________________________

2. Did NOAH have a choice in this matter?___________________________________________

3. Whom did Jesus say we were to worship? (Matt. 4:10)_______________________________

4. Whom could we worship if Jesus had said "Just Worship?"__________________________

5. Was Naaman told where to go and dip seven times to be healed? (2 Kgs. 5:10)___________

6. Could he have dipped in any other waters and been healed?__________________________

7. In remembering Jesus' death, what two elements did Jesus say were to be used to represent
   His body and His blood respectively? (Matt. 26:26-29)_______________________________

8. Could we use anything else besides these two elements and still be obedient to God?

9. If Jesus had not SPECIFIED what He wanted, then what could we use?________________

10. Has God SPECIFIED the kind of music He wants in worship? (Eph. 5:19)_____________

11. Would we be obedient to God by using another kind of music?_______________________

12. If God had said, "Make music to me," then what could we use?______________________

13. Is it a sin to forsake the assembly for worship? (Heb. 10:24-25)_____________________

14. What kind of an attitude is being shown by people who add or change the worship that

15. What kind of activities has God stated that He wants in worship to Him? (Acts 2:42; John

Lesson Eight

"Seeking for Truth"

One of the grave errors made in studying the Bible is to consider one verse to be the Truth of God, but when another verse seems to be contrary to my understanding, it is rejected as not being God's Truth. This is not only being dishonest with the Bible, but it usually leads to our being wrong in our beliefs and practices! There is an important principle here that must be understood and respected—"Take all of what the Bible says on a subject and then form a correct understanding of God's Truth so that it harmonizes all verses!"

ILLUSTRATIONS OF THIS PRINCIPLE

(Please read carefully the following Scriptures and check the statement which best reflects the meaning of the passage).

Matthew 23:23
___1. Jesus said they should have given a tithe;
___2. Jesus said they should have done the weightier matters.
___3. Both must be done to be acceptable.

Matthew 22:37-40
___1. Jesus taught that men must love God.
___2. Jesus taught that men must love their neighbor.
___3. Both must be done to be acceptable.

James 1:22
___1. James teaches that men must hear the word.
___2. James teaches that men must do what the word says.
___3. Both must be done to be acceptable.

John 3:16; James 2:18-20, 24
___1. Jesus teaches that men must believe to be saved.
___2. James teaches that men must have works to be saved.
___3. The correct understanding is that men must have a working, obedient faith to be saved.

1 John 3:18
___1. Men need to love in word.
___2. Men need to love in deed.
___3. Men need to do both to have true love.
APPLICATION OF THIS PRINCIPLE

The following is a big problem in the religious world that has partially been caused by translators of the Bible. When the word baptism is used, different ideas come to the minds of different people. Why? Partially because the word has not been translated! It has been transliterated! The following is a way of helping to illustrate this fact. Please fill in the English letters directly below the Greek letters of "baptism."

Greek Letters: Βαπτιζω
English Letters: ___________________________

Since the word is not translated, how can the average Bible reader know what God is commanding when he commands baptizo (baptize)? If you do not have access to a Greek Lexicon, you can still find the answer from the Bible by applying our principle. That is, get all the Scriptures together that give any indication of how baptism was performed and then draw your conclusion from the Bible. Below are these Scriptures. Please put in the blank to the right what is indicated about baptism.

John 3:23_______________________________________
Acts 8:35-38____________________________________
Acts 8:39_______________________________________
Romans 6:4_____________________________________
Romans 6:5_____________________________________
Colossians 2:12_________________________________

How does the Bible say baptism is performed?______________

Sprinkling, Pouring, and Immersion are three different actions. See which is which below! There are also three different Greek words used to express these actions. See if you can discover which one goes with which Scripture.

Heb. 9:13 (Rantizo) (Ραντιζω)_____________________
Acts 2:17 (Cheo) (Χηω)____________________________
Rom. 6:4 (Baptizo) (Βαπτιζω)_____________________

What action did God command?________________________

By getting all of the Scriptures together and then drawing our conclusions makes it possible to draw a Bible conclusion. It only takes a little insight to be able to see what is clearly taught in Scripture about this important subject.
A Fuller Application of This Principle

The Principle:

a) Pull together all passages on a given subject;
b) Draw conclusions from all the facts;
c) Be sure that your conclusion harmonizes with all Scripture!

a) A command to believers (Acts 2:38, 41; 8:12-13, 16, 36, 38; 9:18; 10:47-48; 16:15, 33;

b) In order to be saved—Remission of sins. (Mk. 16:16; Acts 2:38).

Baptism of fire. (Matt. 3:11; Lk. 3:16).

a) A future punishment. (Rev. 20:14-15).

Truth is Truth! It is not error, nor is it a lie! Truth is in complete harmony with itself. This is a very important concept if a right understanding of the Bible is desired. Many have stated that they believe the Bible contradicts itself. On the surface, without a careful study of the context (and comparing other Scriptures on the same subject), it is easy to see why people would draw this conclusion. Not understanding this important principle has played havoc in the religious world. We would like to illustrate how this principle easily solves the "great" problems that some people have in understanding the Bible correctly.

**THE PRINCIPLE:**

Truth is in complete harmony with itself when properly understood.

"Counting the Cost to Follow Christ"

Remember the good ol' days of youth and the water-hole not far away where many of the neighborhood children would swim. In the Spring, while the water was still cool, there was a reluctance to jump in. Finally, one brave soul would jump in, shiver a little, and look back, saying: "Come on in, the water's fine. What are you waiting on?" So, one after another would get up the courage to "take the plunge!"

In a similar way, God is calling on us to surrender to Him and become His follower. Some have "made the plunge." Others have no plans to do so, while others are undecided. God is calling on us to make the plunge of complete surrender to Him.

Lesson Ten

"Erring from the Truth"

Mankind never seems to stay faithful to God for very long as a general rule. He has demonstrated his failures to God over and over through the centuries. The most obvious and well-known illustration of this fact is seen in the Israelite people. They would be faithful to God for a while, usually when they had good leadership, and then they would gradually drift away again. Read Judges 2:7, 11-12, 16-19.

Brief Historical Sketch

The church as God revealed it in His Word was gradually changed by men over a period of several hundred years into a "man-designed" church with its own government and its human doctrines and commands. While some basic fundamentals of Christianity were retained; yet, many changes were made. All efforts to stop this downhill slide were met with firm rebuke, persecution, and death in many instances. This apostate condition continued and became even more corrupt.

It was not until the 1500's that sufficient efforts were made to begin bringing about some major changes. But again, strong resistance resulted in several religious groups being started in different countries. The Lutheran Church began in Germany; The Church of England (known as the Episcopal Church in America) was started in England; The Presbyterian Church was started in Scotland; The Methodist Church in England and America; and the Baptist Church in England and America. Other lesser known churches were also started during this same period of time. Since the 1700's, more and more churches have been started. All of these have their own sectarian name, special form of government, and their own doctrines to govern their churches.

However, serious and honest-minded people could not reconcile all these churches with what the Bible taught. So one after another began advocating a Restoration of the church as it was in its beginning. The approach was:

(1) Just go by the Word of God;
(2) Drop all human names that divide people;
(3) Just become a Christian the same way they did in the first century by obeying the Gospel;
(4) Become a member of the Lord's church—the body of Christ.

Churches of Christ exist today throughout the world as a result of these early efforts at Restoration!

Are you concerned about just following the Bible?

If people have left God's Way and want to return to His Way, what must they do?
