

Chelan County Fire District 1 Position Announcement

Firefighter/Emergency Medical Technician

Chelan County Fire District 1 will be establishing an eligibility list for the purpose of hiring Career Staff Firefighter/EMT positions.

Application packets for Chelan County Fire District 1 are available at the Administration Office, on our webpage or electronically by calling 509-662-4734.

Resumes will not be accepted in lieu of the employment application forms; however, resumes may be submitted in addition to the employment application.

A complete application packet must be received at the Fire District Administration Office no later than 1700 hours on December 22, 2017 for consideration.

Description:

Firefighter/EMT work includes responding to and dealing with emergency situations, natural conditions that pose a threat to life and property, and incidents of service to the citizens. Employees in this position are responsible for the protection of life and property through firefighting activities, emergency medical services, fire inspection activities, public education and other like duties. They perform a full range of emergency work under adverse and strenuous physical conditions. Firefighter/EMTs have a high risk of exposure to hazardous conditions, toxic chemicals and infectious diseases encountered during firefighting or emergency medical incidents. Firefighter/EMTs perform duties in the following areas: emergency firefighting operations (structural, wild land, vehicles), emergency medical operations, special rescue operations, company level fire & life safety building inspections, other fire prevention programs, public education, public relations, maintenance of apparatus, equipment and facilities, testing of fire hydrants, hose, ladders, pumps, instructing fire service and medical aid training session and other duties as directed by the Fire Chief.

Minimum Qualifications:

- 18 years old at time of employment
- Graduation from a high school, GED or equivalent.
- Must possess, or be able to obtain at the time of hire, a valid Washington State Driver's License without record of suspension or revocation in any state.
- Must be able to pass the Fire District's physical agility test, background checks, and medical evaluation/drug screen.
- IFSAC Firefighter I, NWCG Firefighter 2, Emergency Medical Technician, Hazmat Awareness/Operations and EVIP certification required within one (1) year of employment.
