

# 2018 SAWW Course

Wenatchee, WA  
June 8th and 9th, 2018

Safety and Woods Working (SAWW) courses provide training and practice in precision tree felling and small diameter thinning. This course hosted by Chelan County Fire District #1 aims to educate students in chainsaw safety, operation, and maintenance geared toward wildfire fuel reduction and thinning. Participants will have the opportunity to gain hands on experience cutting brush and felling trees in an outdoor classroom setting.

**WHEN:** Levels 1 & 2  
Friday, June 8th — Saturday, June 9th  
9:00am — 5:00pm each day.

**WHERE:** Chelan County Fire District 1  
Station 14  
4852 Squilchuck Rd  
Wenatchee, WA 98801

**REGISTRATION:** \$30.00

Participants will need to provide the following equipment:

- Chainsaw
- Personal Protection Equipment: (Chaps, gloves, ear & eye protection)
- Footwear suitable for working in the woods
- Hard hat

Sack lunch will be provided by CCFD1

Seating is limited. Priority will be given to Fire District 1 residents able to attend the full course.
