

## HIGH OUTPUT LED FLOOD LIGHT SERIES

Introducing our large scale, high output, highly efficient LED Flood Lights. Our new Flood Light Series save energy costs without sacrificing light output, with up to 80% energy efficiency.

### 100W FLOOD LIGHT

#### Bright and Efficient

Our floodlight series combines high lumen output/high efficiency LED technology. Waterproof and heavy duty, they are Ideal for applications in large industrial and outdoor areas.

#### Swift Install

At Eco we own our own installation equipment. From scissor to all terrain knuckle boom lifts - Eco is dedicated to making it easy for all our customers to upgrade to the best LED lighting options.

#### Government Approved

Our products are approved under the VEET/IPART government scheme. This means businesses can benefit from massive government rebates plus free LED upgrades for qualified businesses.

SPECIFICATIONS	100W FLOOD LIGHT
INSTALL HEIGHT	Over 30m
