**FARM TO TABLE
RESTAURANT**

Once one of America's largest and most prestigious private estates, Normandy Farm is more than a meticulously restored American landmark. It is a fully wired high-tech hospitality venue offering the best of many worlds. At the turn of century, Normandy Farm enjoyed its status as a gentleman's estate, now it is a magnificent resort hotel and conference center located in the western Philadelphia suburbs near King of Prussia, Lansdale, Plymouth Meeting, Conshohocken and Valley Forge, PA.
