Children arriving late to school

Last week we have seen a huge increase in the number of students arriving at school late. Parents please make an effort to get your children to school on time. Here are the number of children we had arriving late this week:

Monday: 23 students

Tuesday: 36 students

Wednesday: 26 students

Thursday: 33 students

Friday: 32 students

This is very disruptive on the teachers and other students in the class. Please make an effort to have your child at school before the bell at 8:55am. If your child does arrive at school after this time **they must go to the office to sign in and get a late slip**. If this is not done you may receive a text message in error stating your child is absent from school. This is very distressing for parents and causes more work for our busy office staff.

Parent Interviews - 26th and 27th June

Parent interviews will be held on the dates above. Parents / Caregiver will be able to book an appointment time online using the website:

www.schoolinterviews.co.nz. (code: avpmr)

The website is very easy to use and will let you select a time that is convenient to you. To ensure you are able to book a time that suits, we suggest you book a time as soon as possible.

PLEASE NOTE: To accommodate the large number of students in Room 7 and 8, bookings for these classes will be done via the school. An information notice for these classes was sent home last week asking parents to select a time, and return the form to their teacher so an appointment can be booked. If you have not received a booking form please see your child's teacher or visit the school office.

Appointments for the senior classes will be 30 mins so please keep this in mind when booking sibling appointments online.

Scholastic Book Orders

Offer 4 leaflet will be sent home with your child this week. The last day for orders is **Wednesday June 13th**.

All credit card orders must be placed via the LOOP on the Scholastic website. Please send your orders and money to the school office and make all cheques out to Sunnyvale Primary School.

Keeping Ourselves safe

Keeping Ourselves Safe starts at school this week with Constable Dean. All classes will be involved and students will be able to learn valuable tools and tips.

If you have any questions or concerns relating to the content of this programme please see your child's teacher or come and see senior management.

Umu tasting experience

Our Umu tasting experience was a great success. Students got to taste and experience another culture. There were some awesome national costumes worn on the day. Thank you to all our helpers and extra special thanks to Tegel and Petes Packaging for their donation of items.

Senior Camp 2018

Our senior students arrived back from camp with lots of wonderful stories about the awesome experience they had.

Thank you Mrs McDonald for all your hard work making this experience happen for our senior children. Thanks also to our senior syndicate teachers and wonderful parent helpers.
