Pleasure of the Classics Book Club

Tuesday, May 7th @ 2 pm

This book club is for those who love the classics, both old and new!

This month's book is *The English Patient* by Michael Ondaatje. This novel traces the intersection of four damaged lives in an Italian villa at the end of World War II. Hana, the exhausted nurse; the maimed thief, Caravaggio; the wary sapper, Kip: each is haunted by the riddle of the English patient, the nameless, burned man who lies in an upstairs room and whose memories of passion, betrayal, and rescue illuminate this book like flashes of heat lightning.

Senior Center Book Club

Tuesday, May 21st @ 2 pm

Are you a senior who loves good books and good discussion? Then come to our Senior Center Book Club! We've partnered with the Hilton Head Island Senior Center to put on this unique program for the young at heart.

This month, our book is *Rules of Civility* by Amor Towles. A chance encounter and its startling consequences propel Katey on a yearlong journey from a Wall Street secretarial pool toward the upper echelons of New York society and the executive suites of Condé Nast--rarefied environs where she will have little to rely upon other than a bracing wit and her own brand of cool nerve.

Novel Evenings Book Club

Tuesday, May 21st @ 6 pm

This month's selection is *The Marrying of Chani Kaufman* by Eve Harris.

19 year-old Chani lives in the ultra-orthodox Jewish community of North West London. She has never had physical contact with a man, but is bound to marry a stranger. The rabbi's wife teaches her what it means to be a Jewish wife, but Rivka has her own questions to answer. Soon buried secrets, fear and sexual desire bubble to the surface in a story of liberation and choice; not to mention what happens on the wedding night.
