

TUTORS NEEDED

FAMILY ENGLISH LITERACY CLASSES

Family Literacy 360 classes teach English to parents and their children ages 4 to 10. This 6-week program meets 1 time per week. Classes focus on speaking and reading English. The classes also teach parents skills to help their children with reading and homework.

Tutors are trained by University of South Carolina Beaufort and/or the Technical College of the Lowcountry representatives, and are responsible for preparing to work with the family each week for the duration of the implementation.
