

Downtown Beaufort Branch Library

Curbside Hold Pickup Service

When you're in a hurry, have kids in the car, or the weather isn't cooperating, there's no need to come inside to pick up your holds! We are pleased to announce a new Curbside Hold Pickup Service pilot at the downtown branch. Beginning September 5, 2017, have your holds delivered to your car.

- 1) To use this service, you must have a hold(s) ready for pick up at the downtown Beaufort Branch Library.
- 2) Call before you come to confirm your item is available. (Please have your library card handy.)
- 3) Call again when you're in a parking lot space and we will deliver your holds to your car! (Please do not park in the book drop ramp.)
