Lady Duck in Training Program

Players who have completed Learn To Play classes/Lil Ducks or Initiation may be ready to be a Lady Duck in Training! Girls ages 5-12 fit in well with this group. They typically start learning to practice with the team an age-group below theirs until the fundamentals are "up to speed". Learn by doing, in and around the Top Girls Program in all of the WEST! Very little experience is necessary to start as a LDT!
