

The all-new Advantage Construction Savings Program (ACSP) is a suite of value-added benefits tailored exclusively for the Saskatchewan construction industry, offering members-only access to discounted or specialized products and services.

About the Vendor

SAFETYTEK

SafetyTek is a workplace safety enforcement platform built to enable companies to properly implement safety without introducing more workload on members of the team. Visit safetytek.ca for more information.

More Information

Only members of an SCA partner association may access ACSP offerings. Call (306) 525-0171 or visit webuildadvantage.ca to start saving!

Offering Details

Save 50% on your first 6 months with SafetyTek! We automatically enforce and implement your safety program to ensure your company's productivity is at its highest.

- **Eliminate Work Stoppages** - An enforced safety program can ensure your safety forms are filled out on time and ultimately impact your project's performance, saving potentially millions of dollars.
- **Reveal the True Value of Safety** - Investing in safety as a core business strategy is proven to boost employee morale and productivity.
- **Reduce Workplace Incidents** - When safety is effectively enforced, \$8 is indirectly saved for every \$1 invested. This results from a reduction in workplace incidents, work stoppages, printing paper, and time spent on administrative-related tasks.
- **Invest in your Reputation** - Enhance client loyalty by becoming the first choice for new/repeat business. Companies with a reputation for safety are more productive and can attract top talent to their team.
